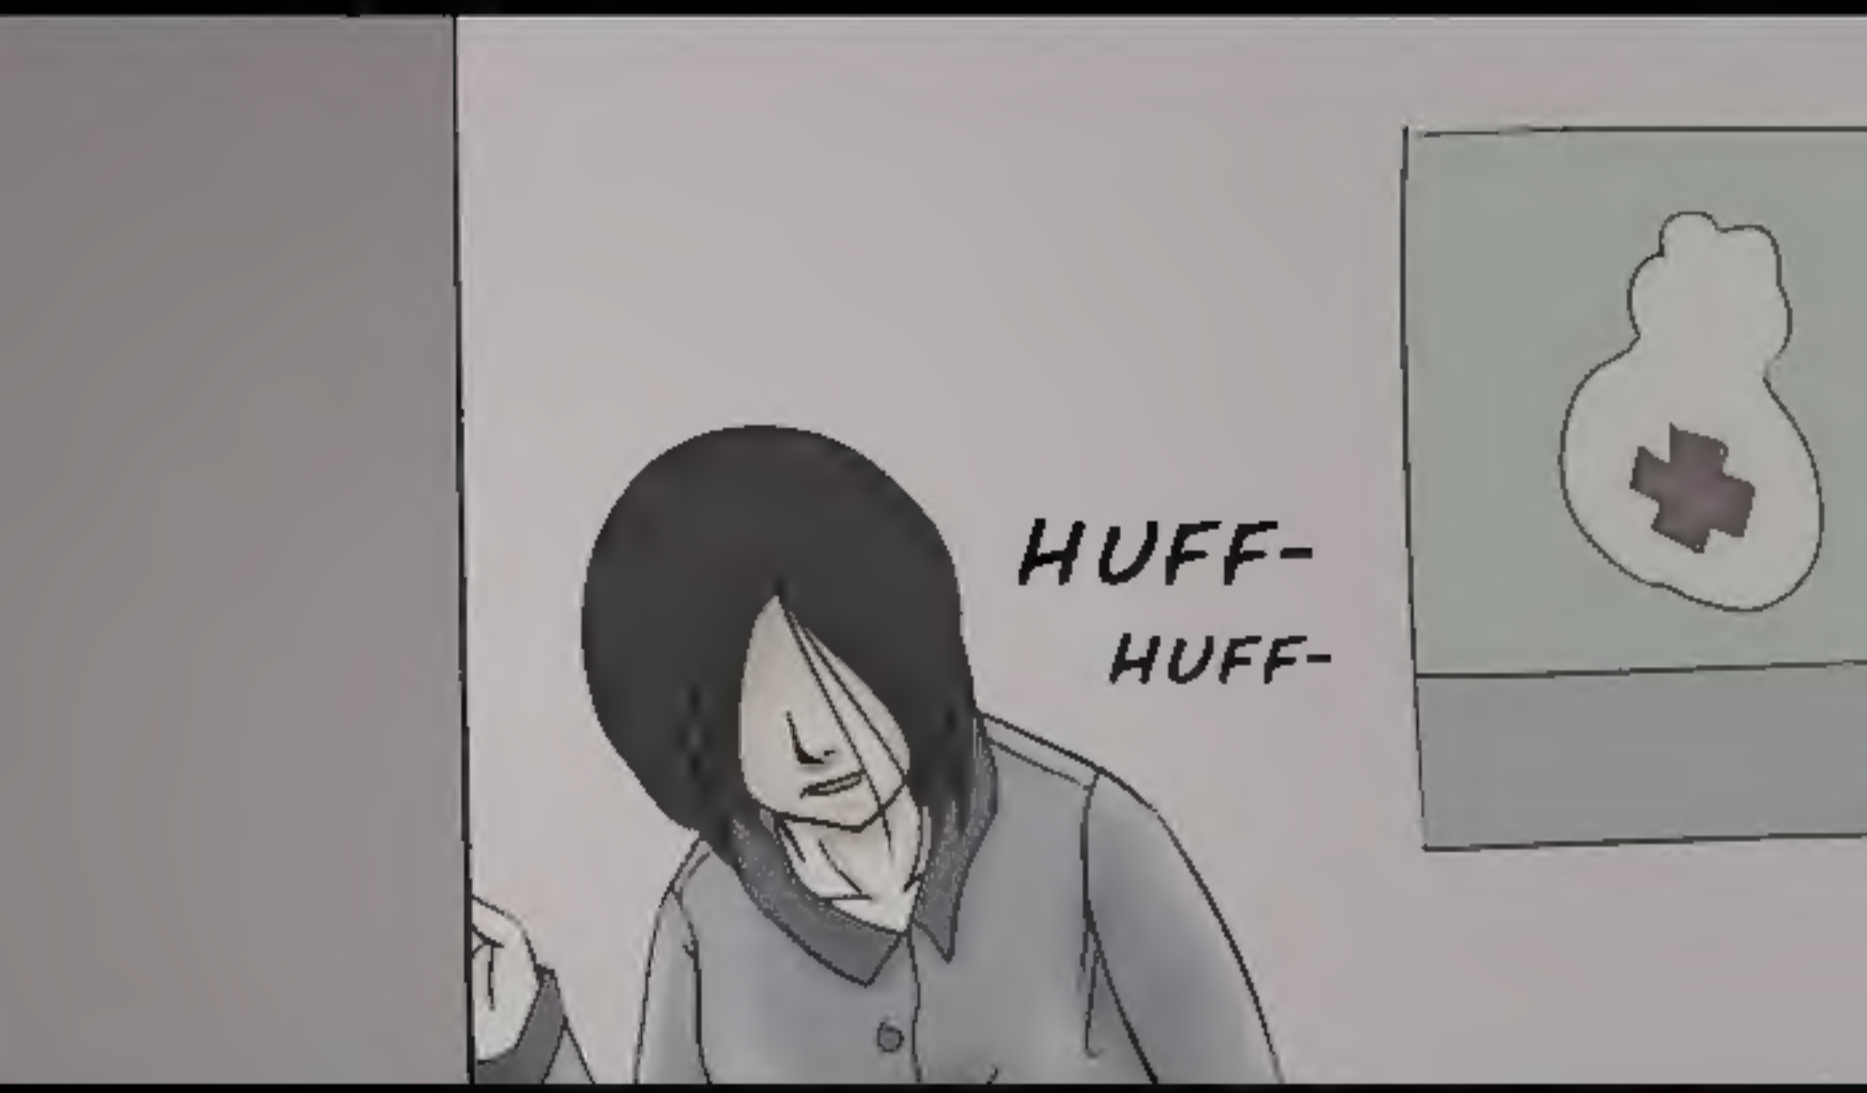
UNTIL THE MOMENT THEY PUT
THE OXYGEN MASK ON HER
AND GAVE HER AN ANESTHETIC,

SHE HAD BEEN CONTINUOUSLY MUMBLING:

IT CAN'T BE.

ONE DAY IN EARLY SPRING 2013.

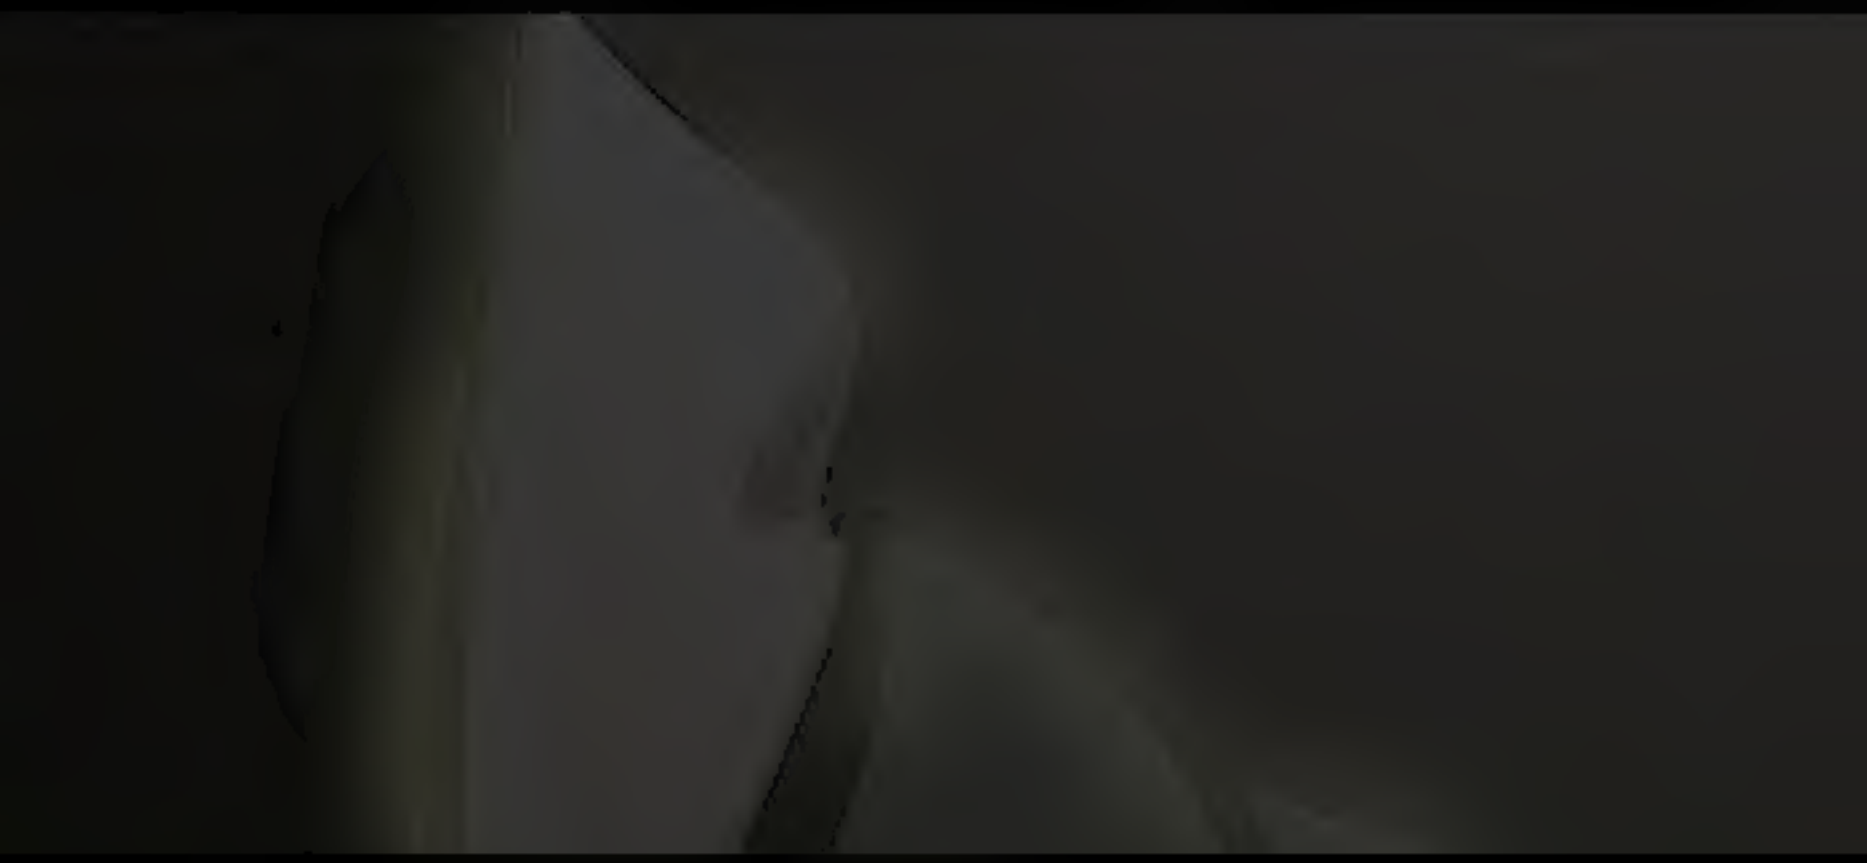
IN A LOCAL, INDEPENDENT OBSTETRICS CLINIC



A WOMAN SHOWED UP IN LABOR.

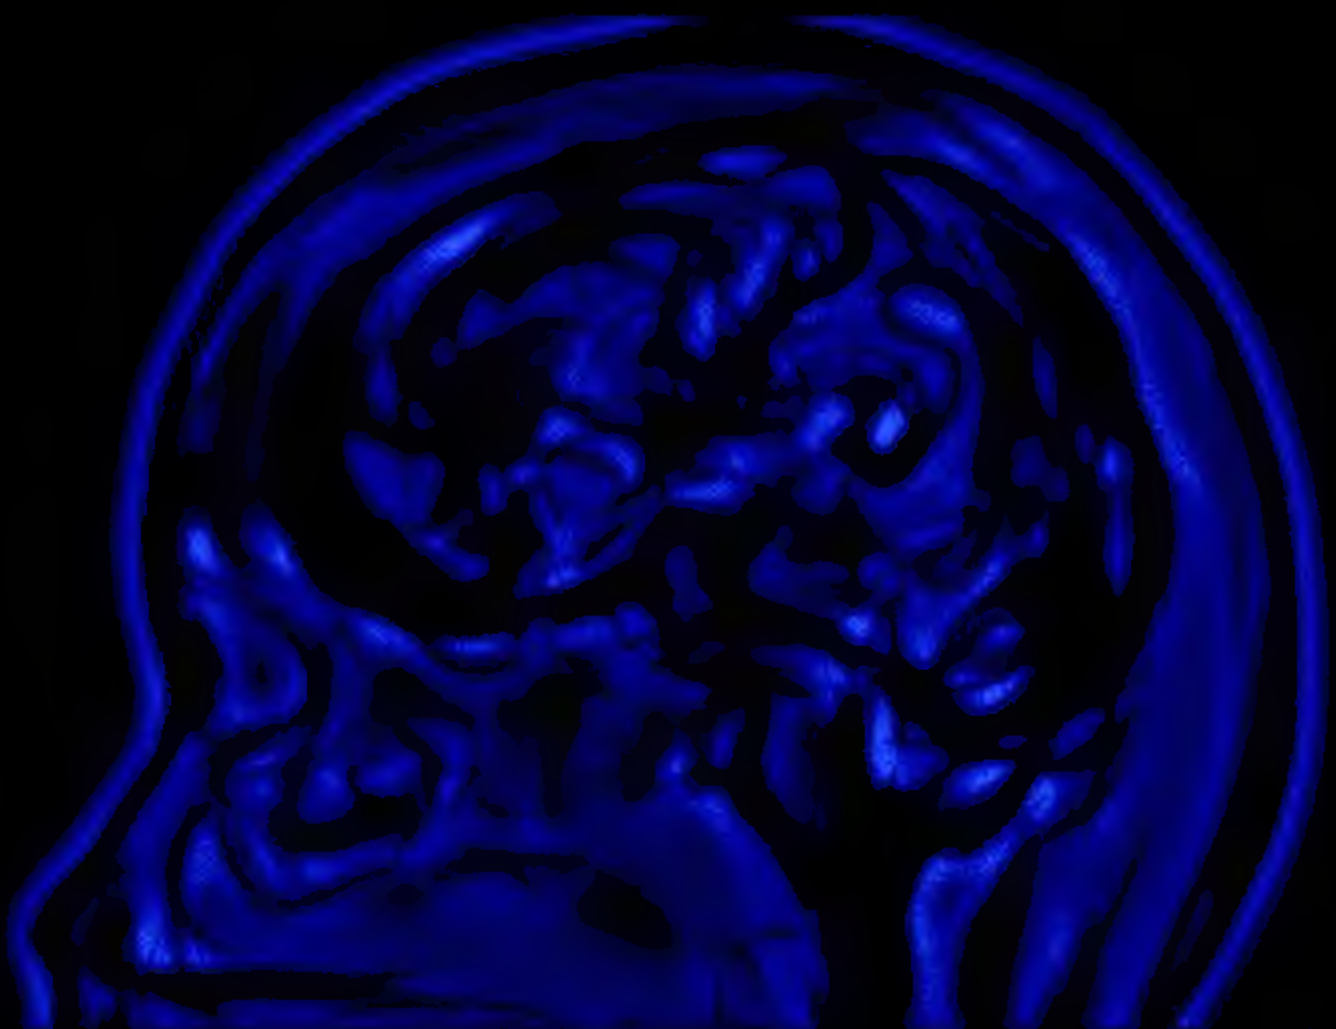
THIS CHILD,

THIS FRAME, BODY TYPE, AND EVEN DNA SEQUENCE...



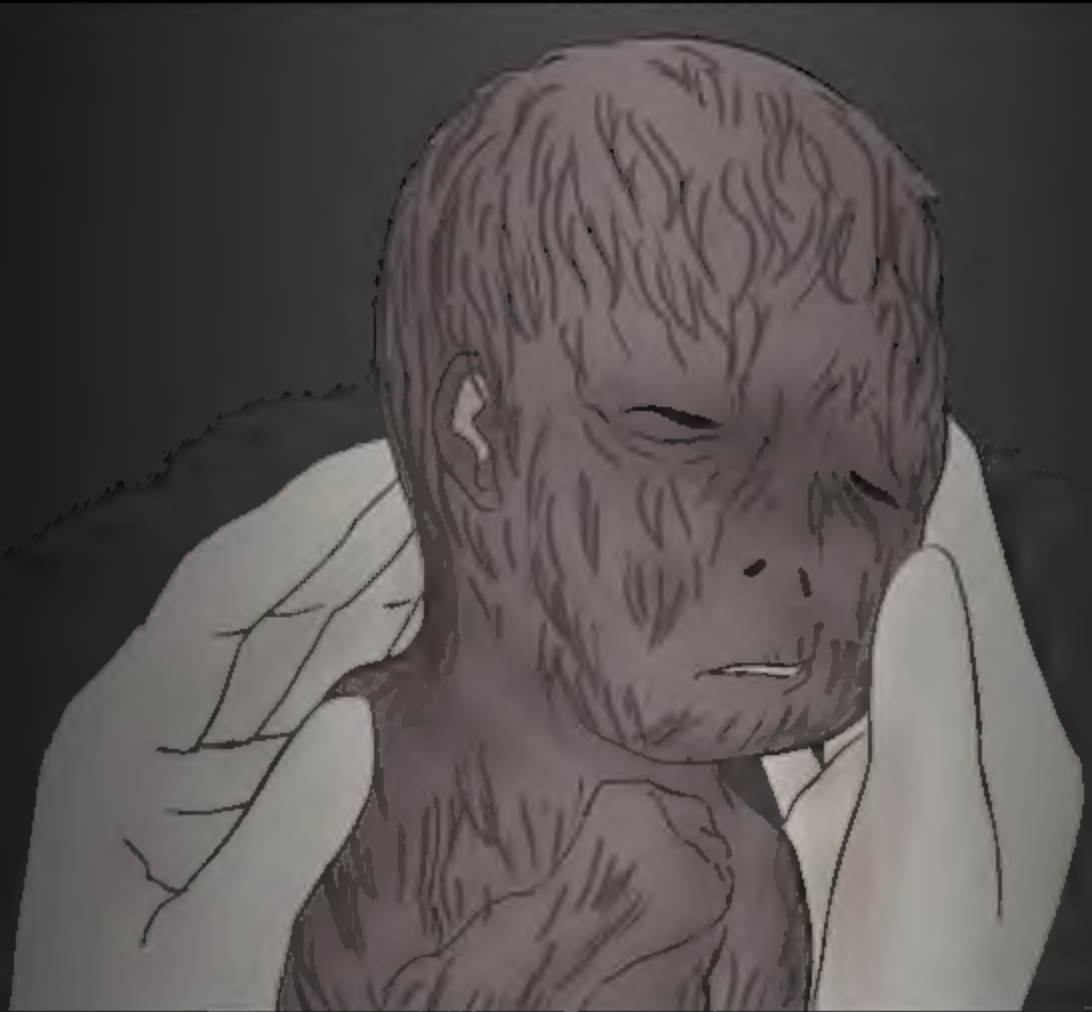
HER CONDITION WORSENED
DURING THE DELIVERY AND SHE DIED.

ALTHOUGH THANKFULLY,
THE BABY WAS BORN HEALTHILY.



PERHAPS IT'S "EVOLVING" DAILY

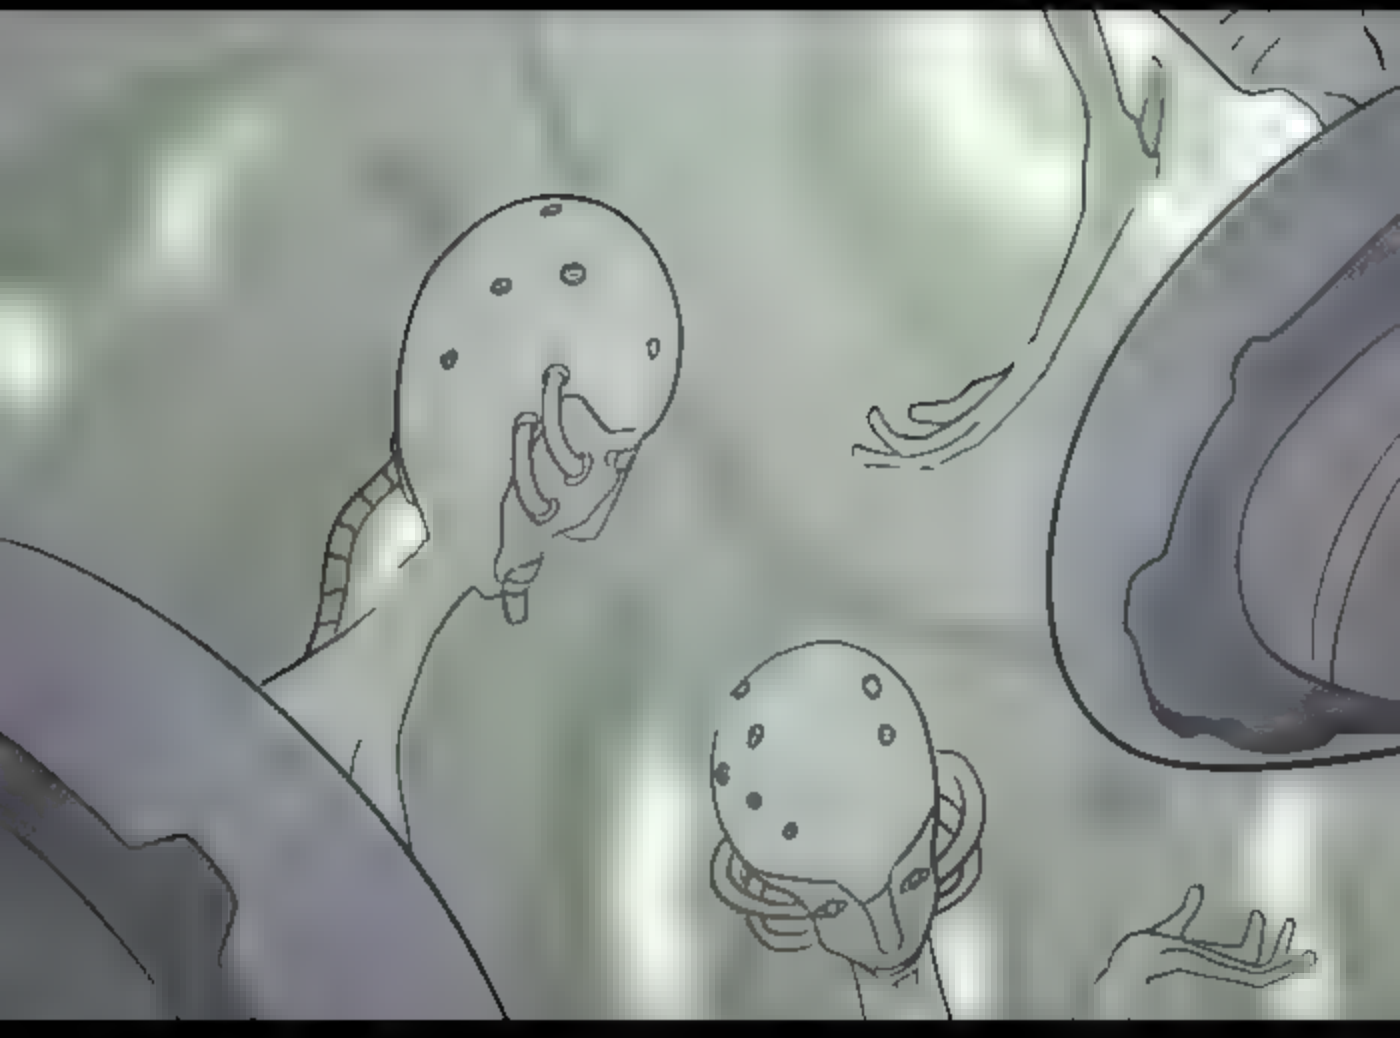
THE PROBLEM WAS:

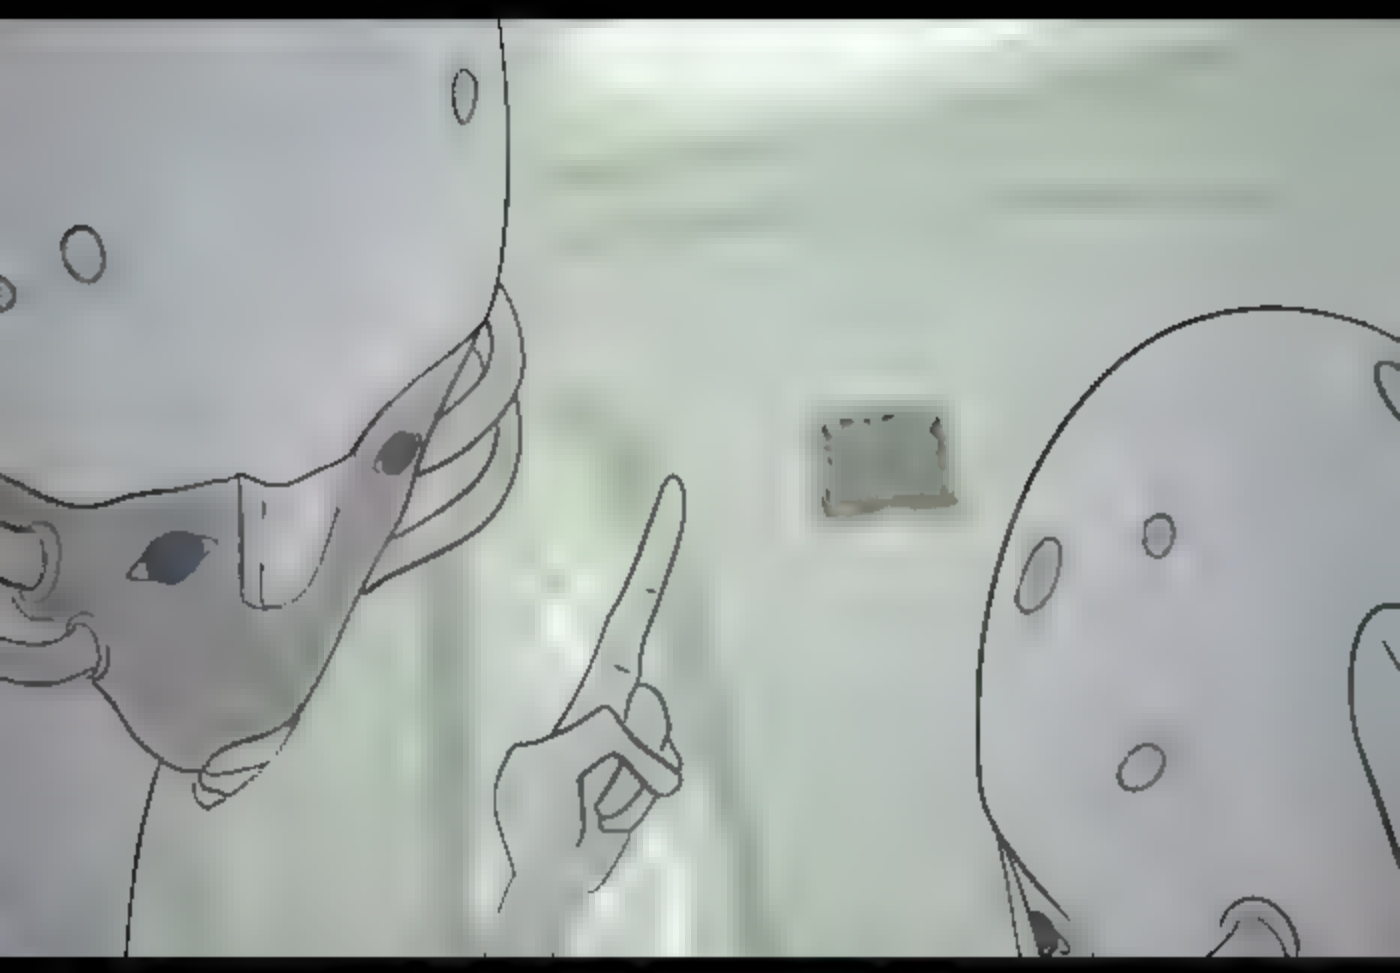


THE HEAD RESEARCHER ADDED MEMBERS
TO HIS RESEARCH TEAM IN SECRET

YEAH, WHAT IS IT?

FROM THE ORIGIN OF HUMANITY.





TO BE CONTINUED

THIS CONTENT HAS BEEN PUBLISHED

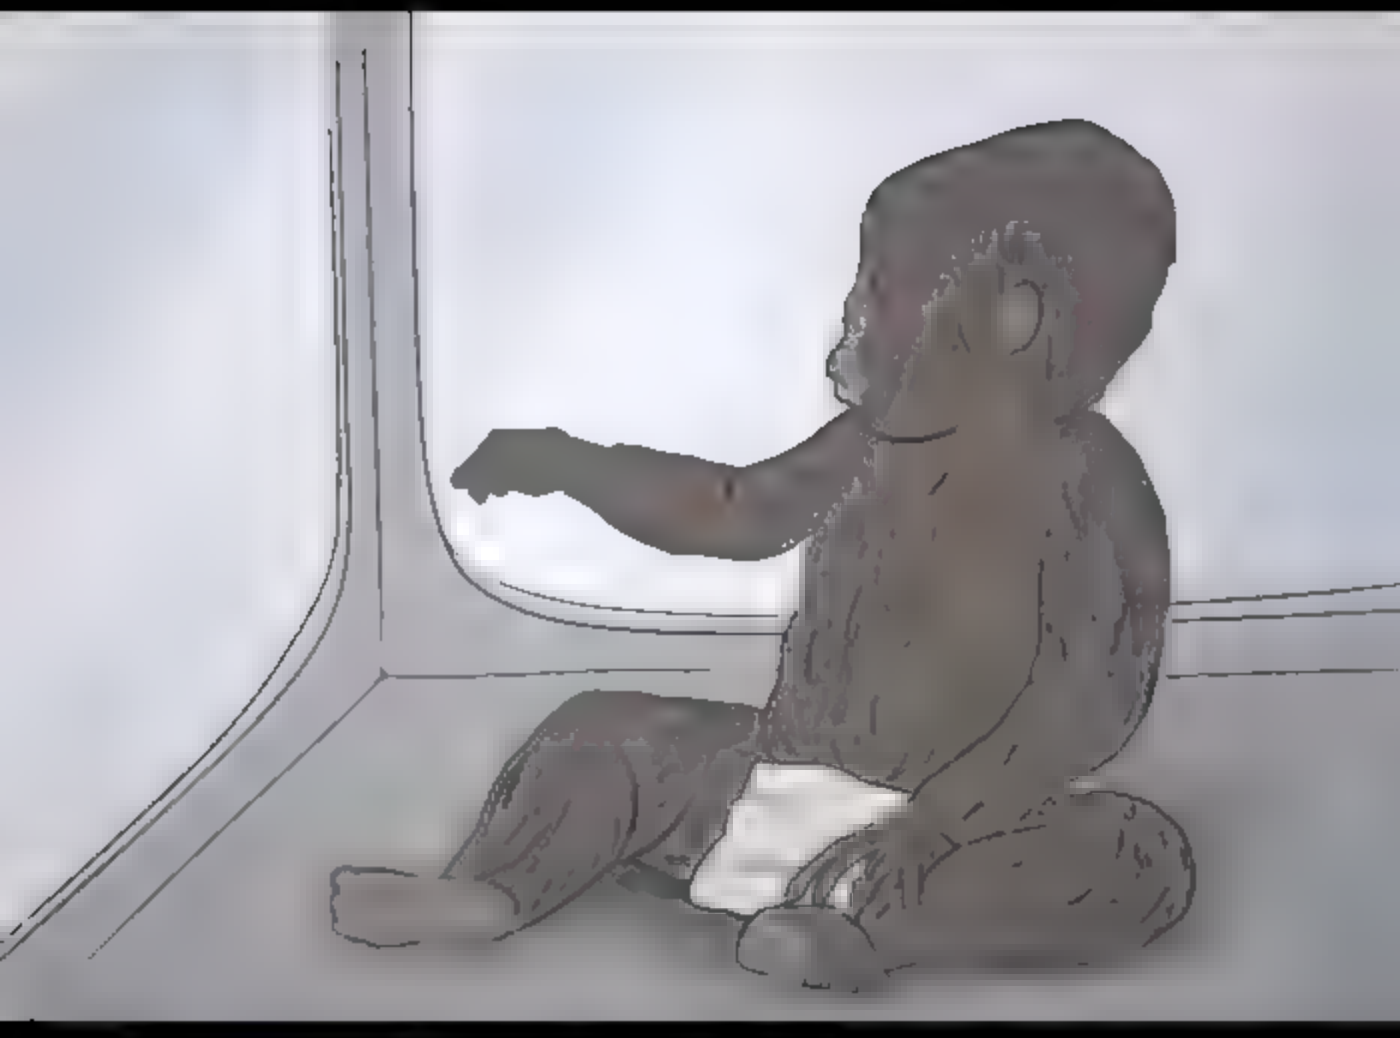
LINE Webtoon

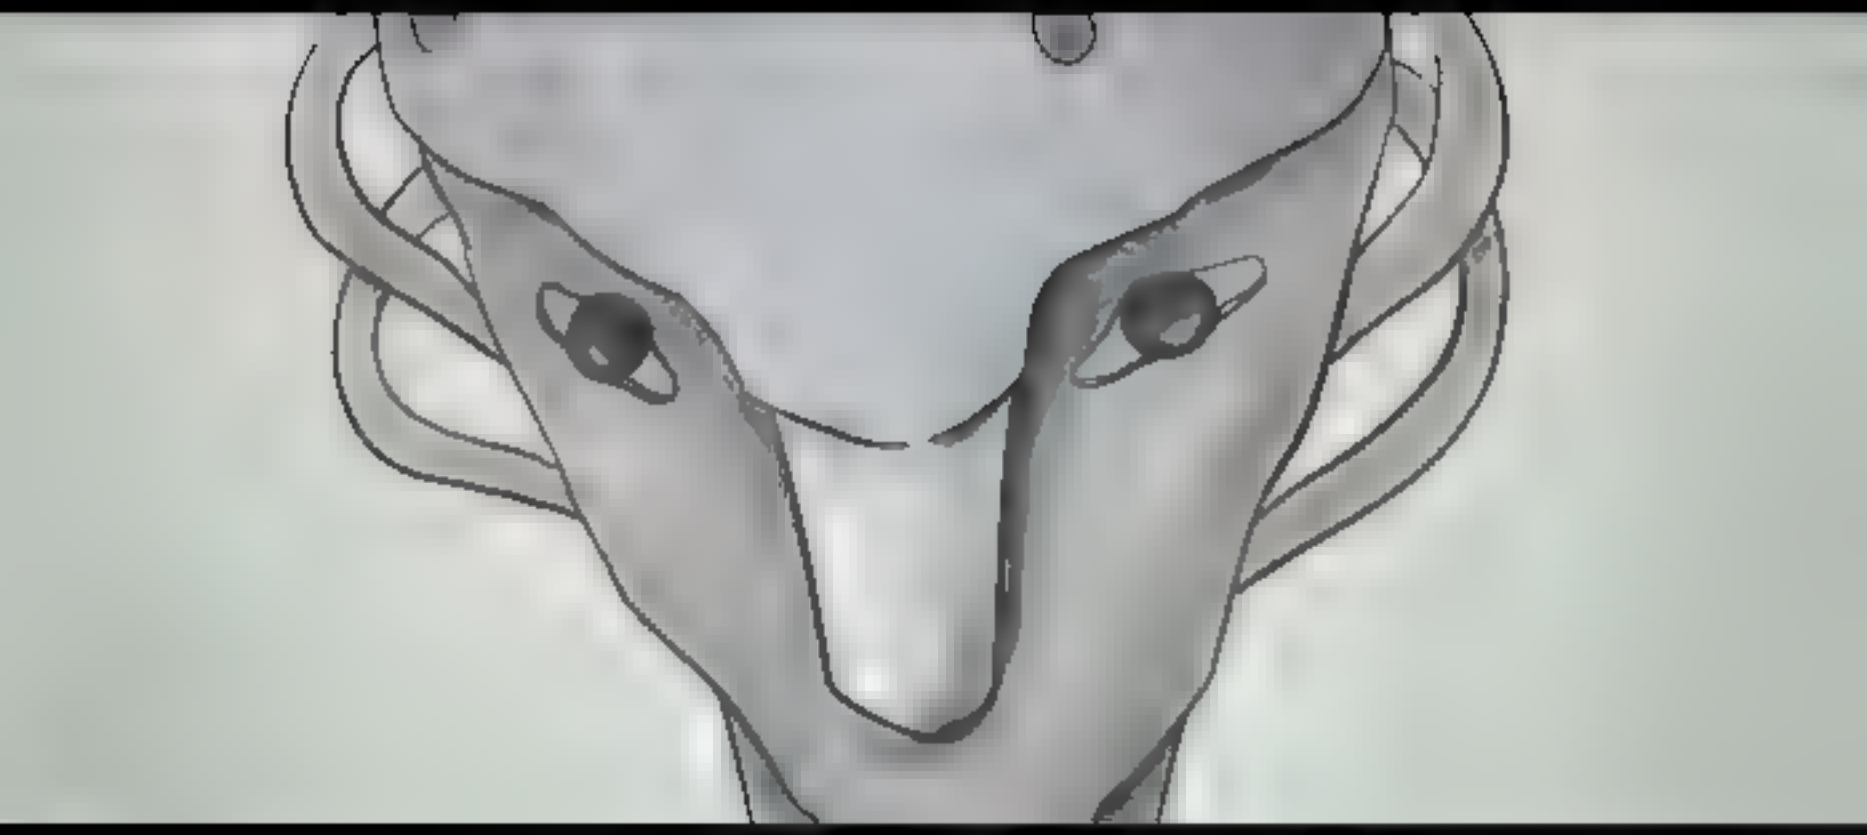
IS NOT A HUMAN...

O-OKAY!
I'M ALMOST DONE...
I MEAN, I'LL BE
RIGHT OUT!

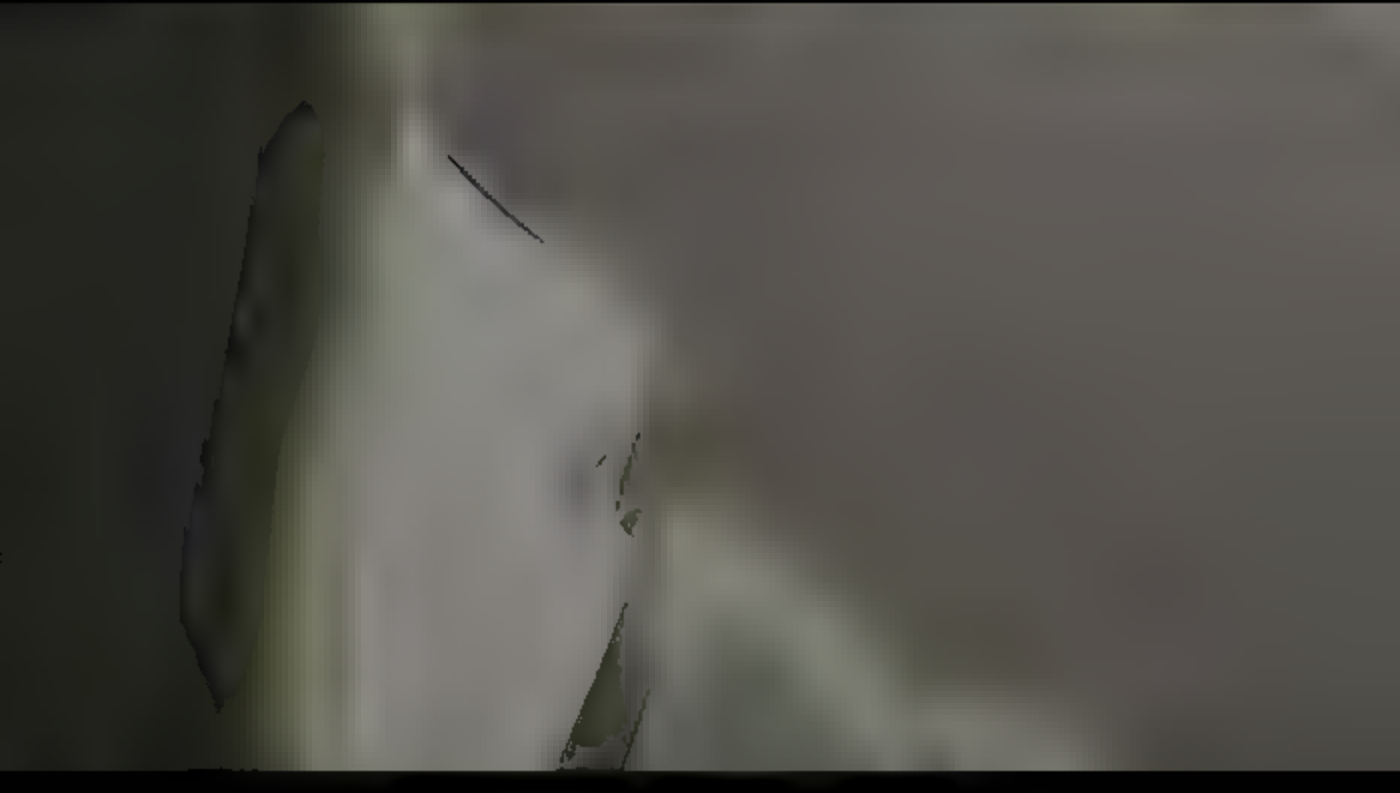


BUT EVEN
THE UNCHANGABLE SEQUENCE OF HIS DNA.

"NOW, BACK TO YOUR SEATS.
IT'S TIME TO START THE CLASS."

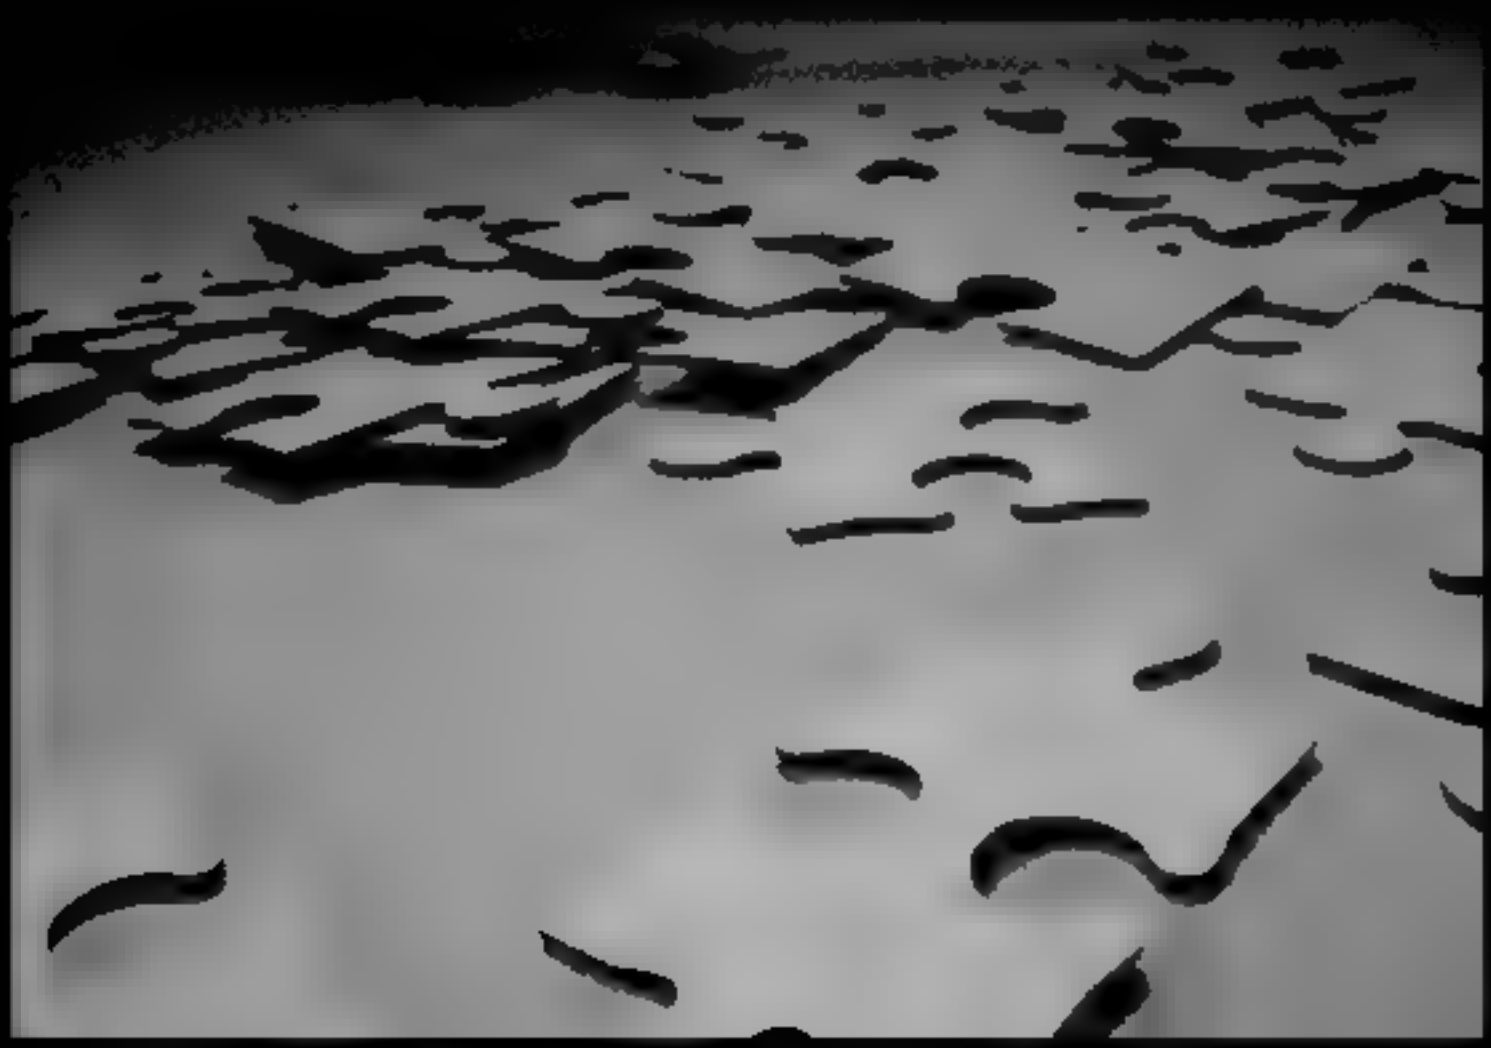


AND THE NURSE NOTIFIED HER HUSBAND,
A POLICE OFFICER, OF THE BABY'S EXISTENCE.



MRI SCAN KX D01

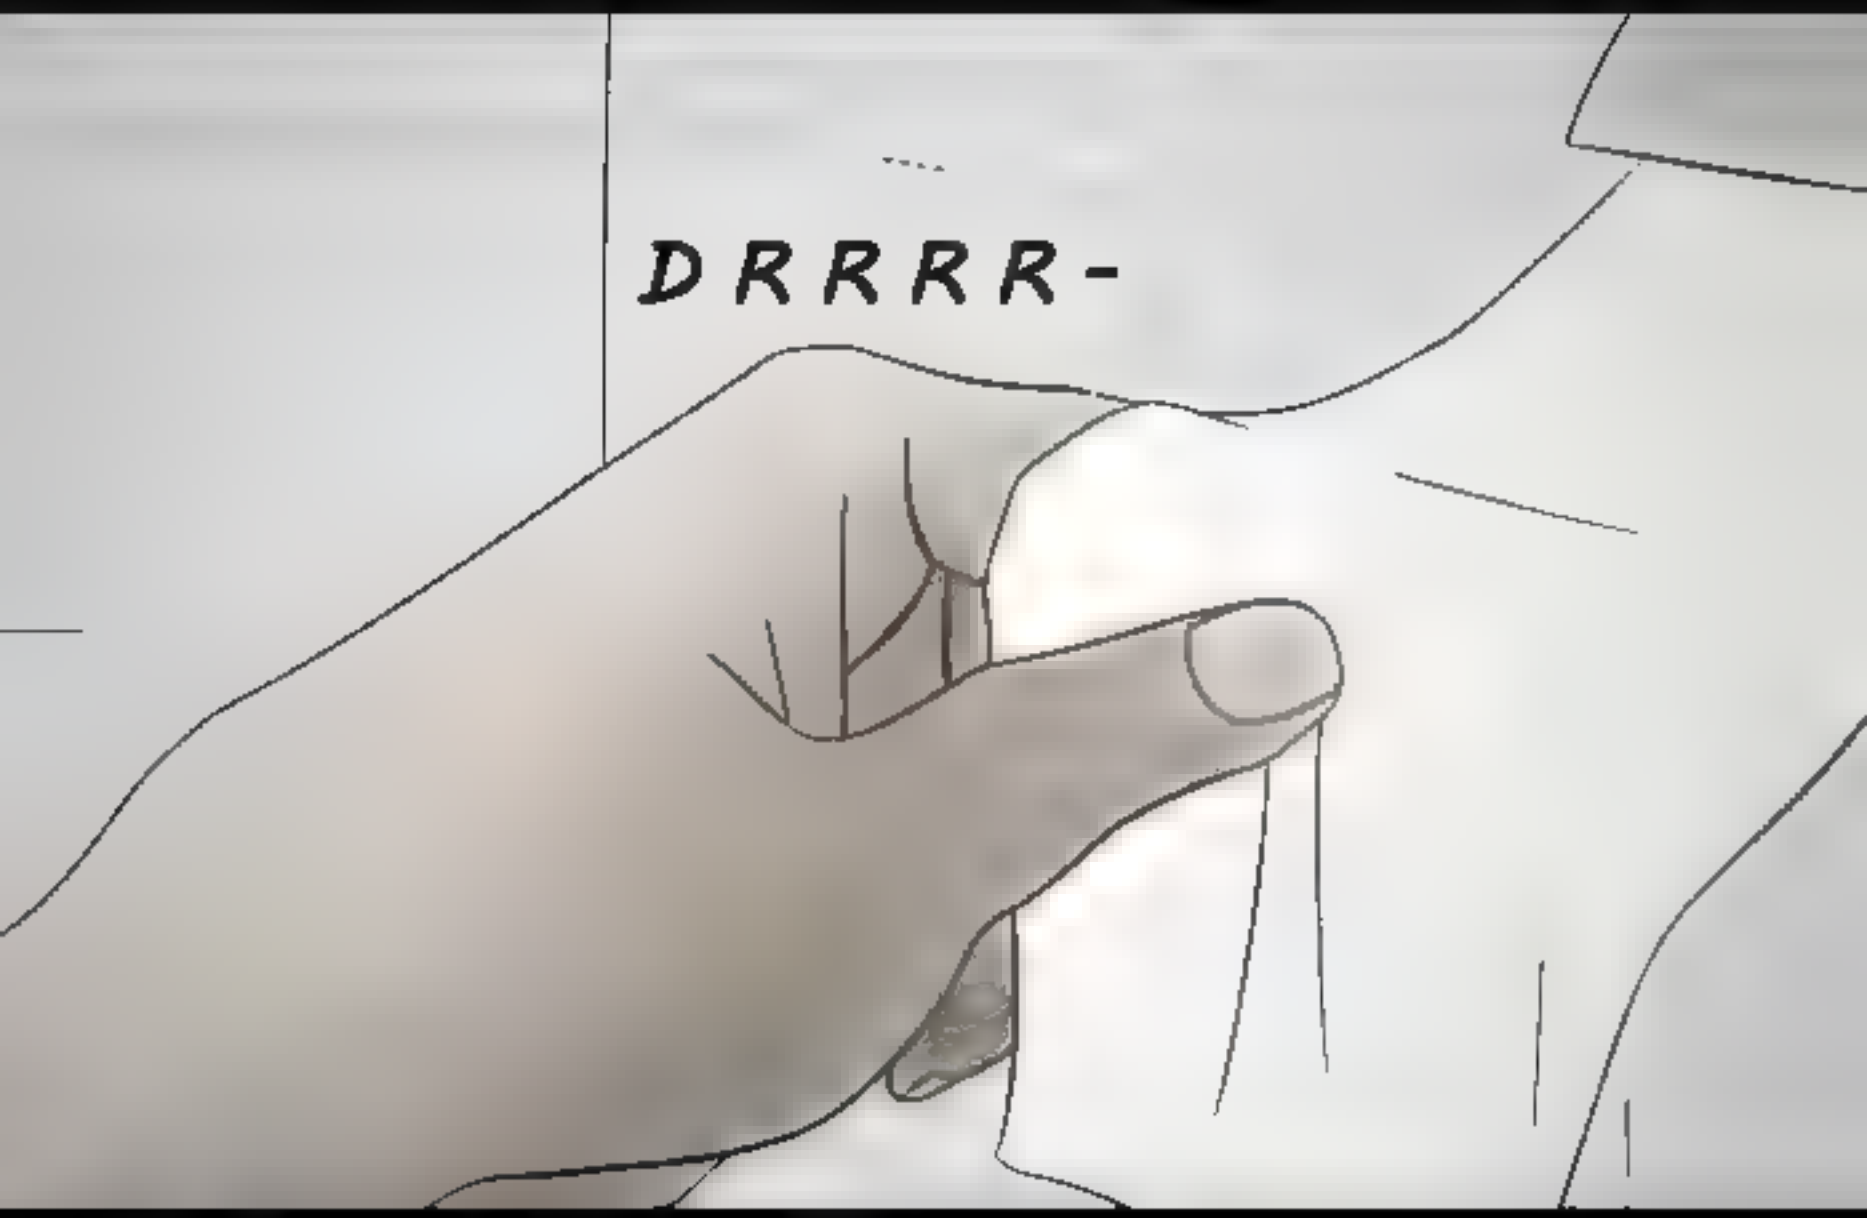
I KNEW IT...
IT'S EXACTLY WHAT
I THOUGHT.



THE FIRST,

WAS THAT THE CHILD GREW AT A RATE

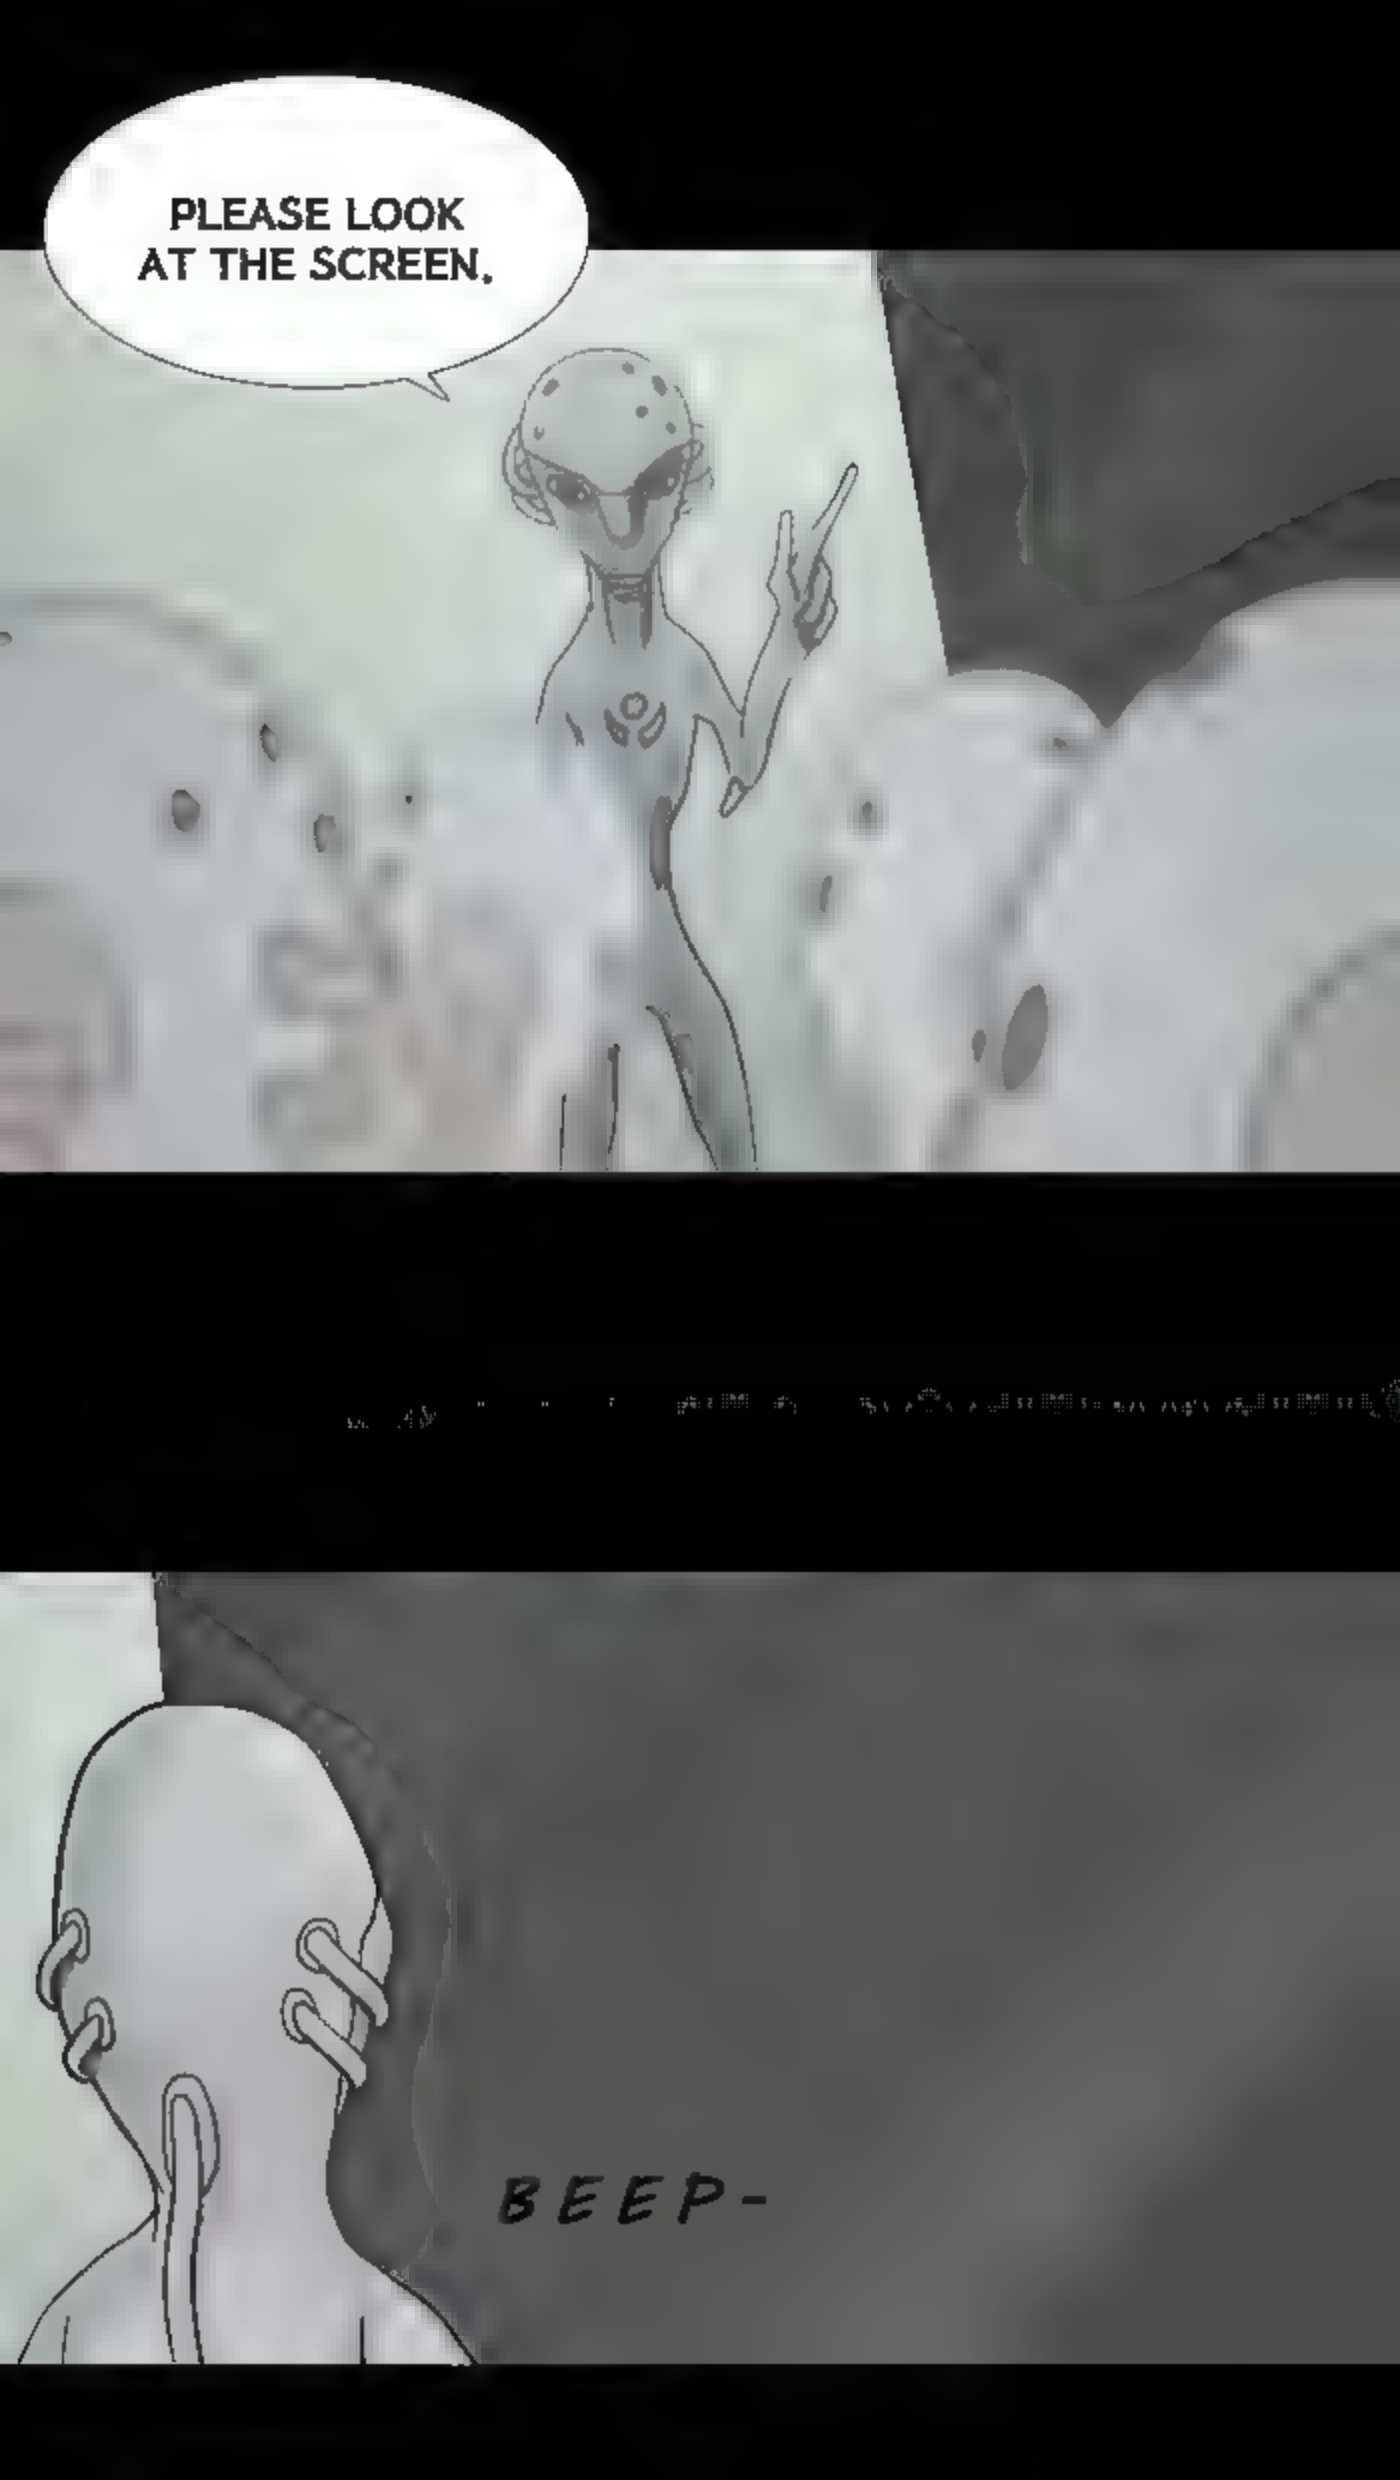
DOZENS OF TIMES FASTER THAN HUMANS.



THE DOCTOR GOT A CALL FROM AN ANONYMOUS ORGANIZATION PRETENDING TO BE THE ASSOCIATION

PERHAPS
THE CHILD ISN'T "GROWING" EACH DAY—

THEN ONE DAY.



PLEASE LOOK AT THE SCREEN.
BEEP-

WHIIING-

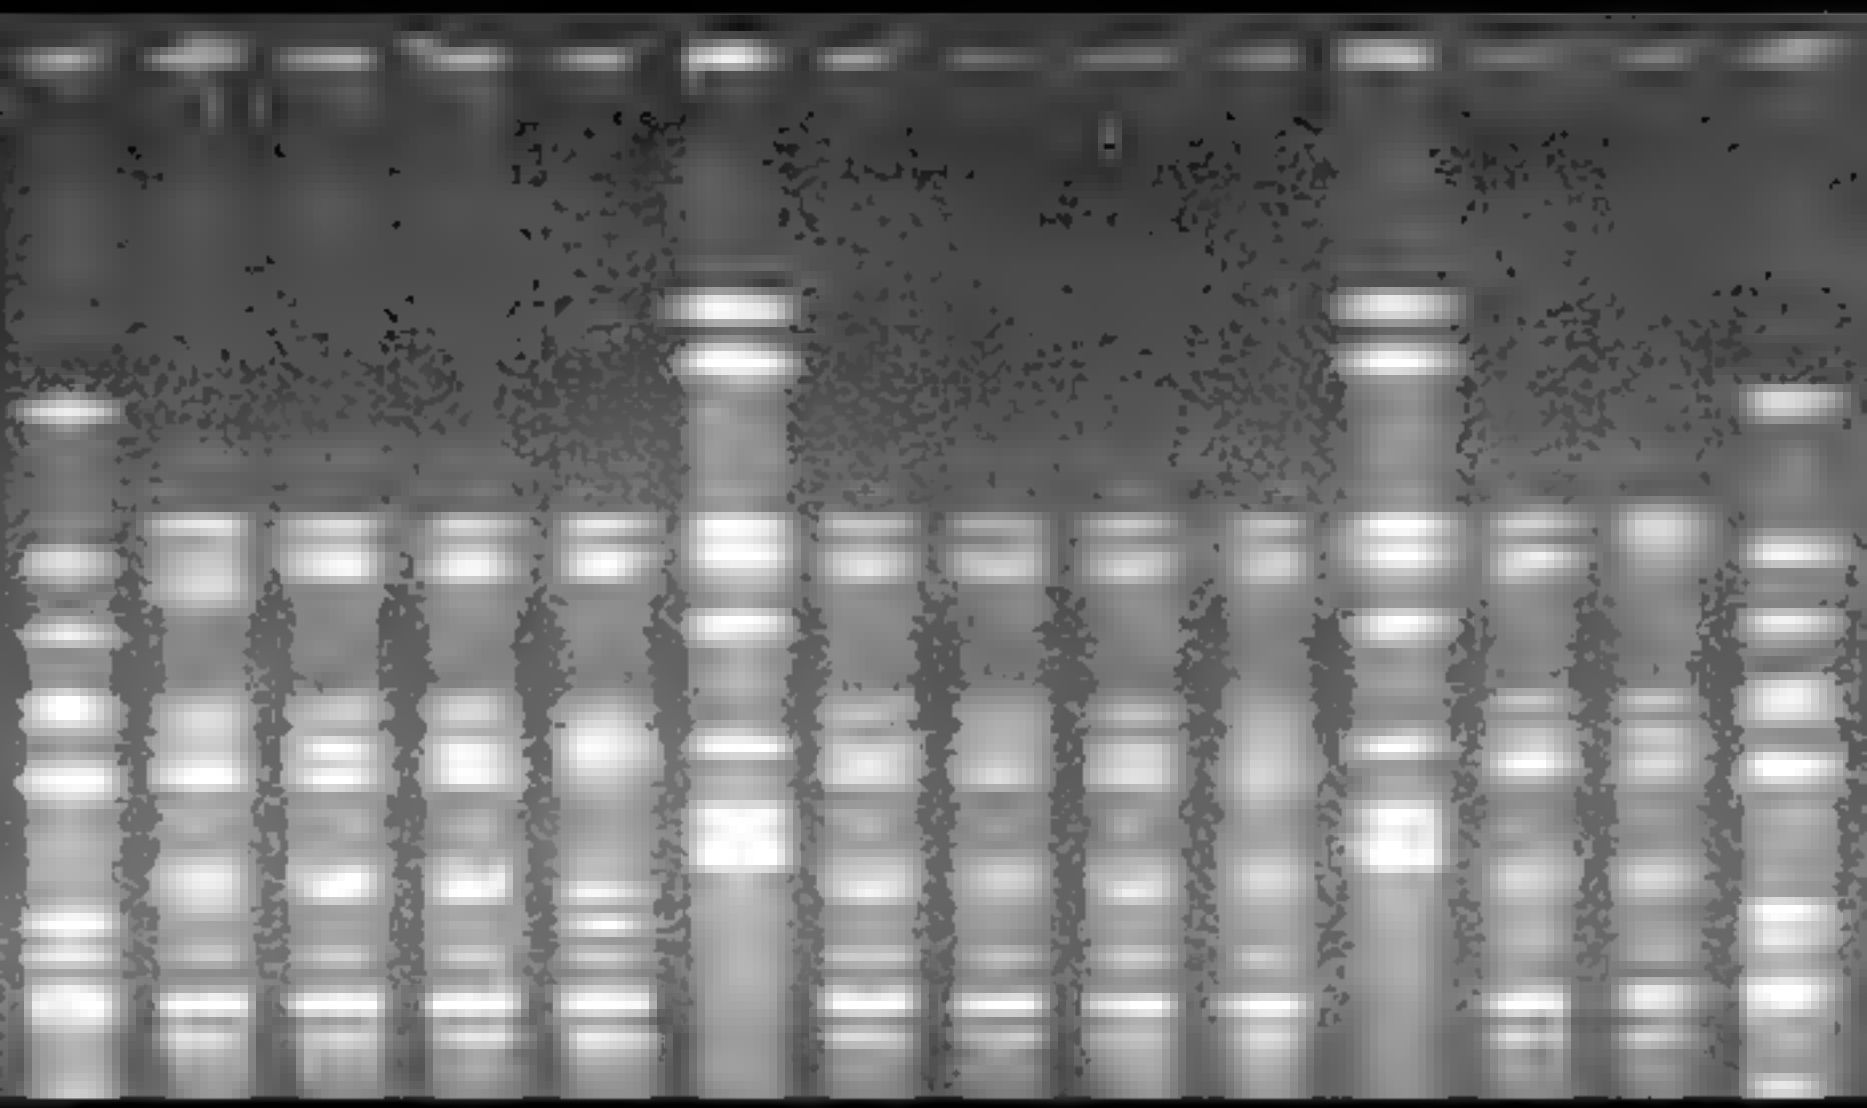
TOUMAI : AN ANCIENT HOMINID WHICH EXISTED ROUGHLY 7,000,000 YEARS AGO

TODAY,
WE'RE GOING TO
LEARN ABOUT
THE EVOLUTIONARY
PROCESS OF
OUR SPECIES.

YOU NEED TO COME SEE THIS. THIS IS TOTALLY UNBELIEVABLE.

ONE OF THE RESEARCHERS BROUGHT A REPORT.

THE CHILD'S CHROMOSOMES WERE NOT HUMAN.



BUT THEY DIDN'T MATCH
THOSE OF ANY KNOWN PRIMATE

SO THE CHILD'S IDENTITY
REMAINED A MYSTERY.

WHAT THE F**K....?
ARE YOU SERIOUS?

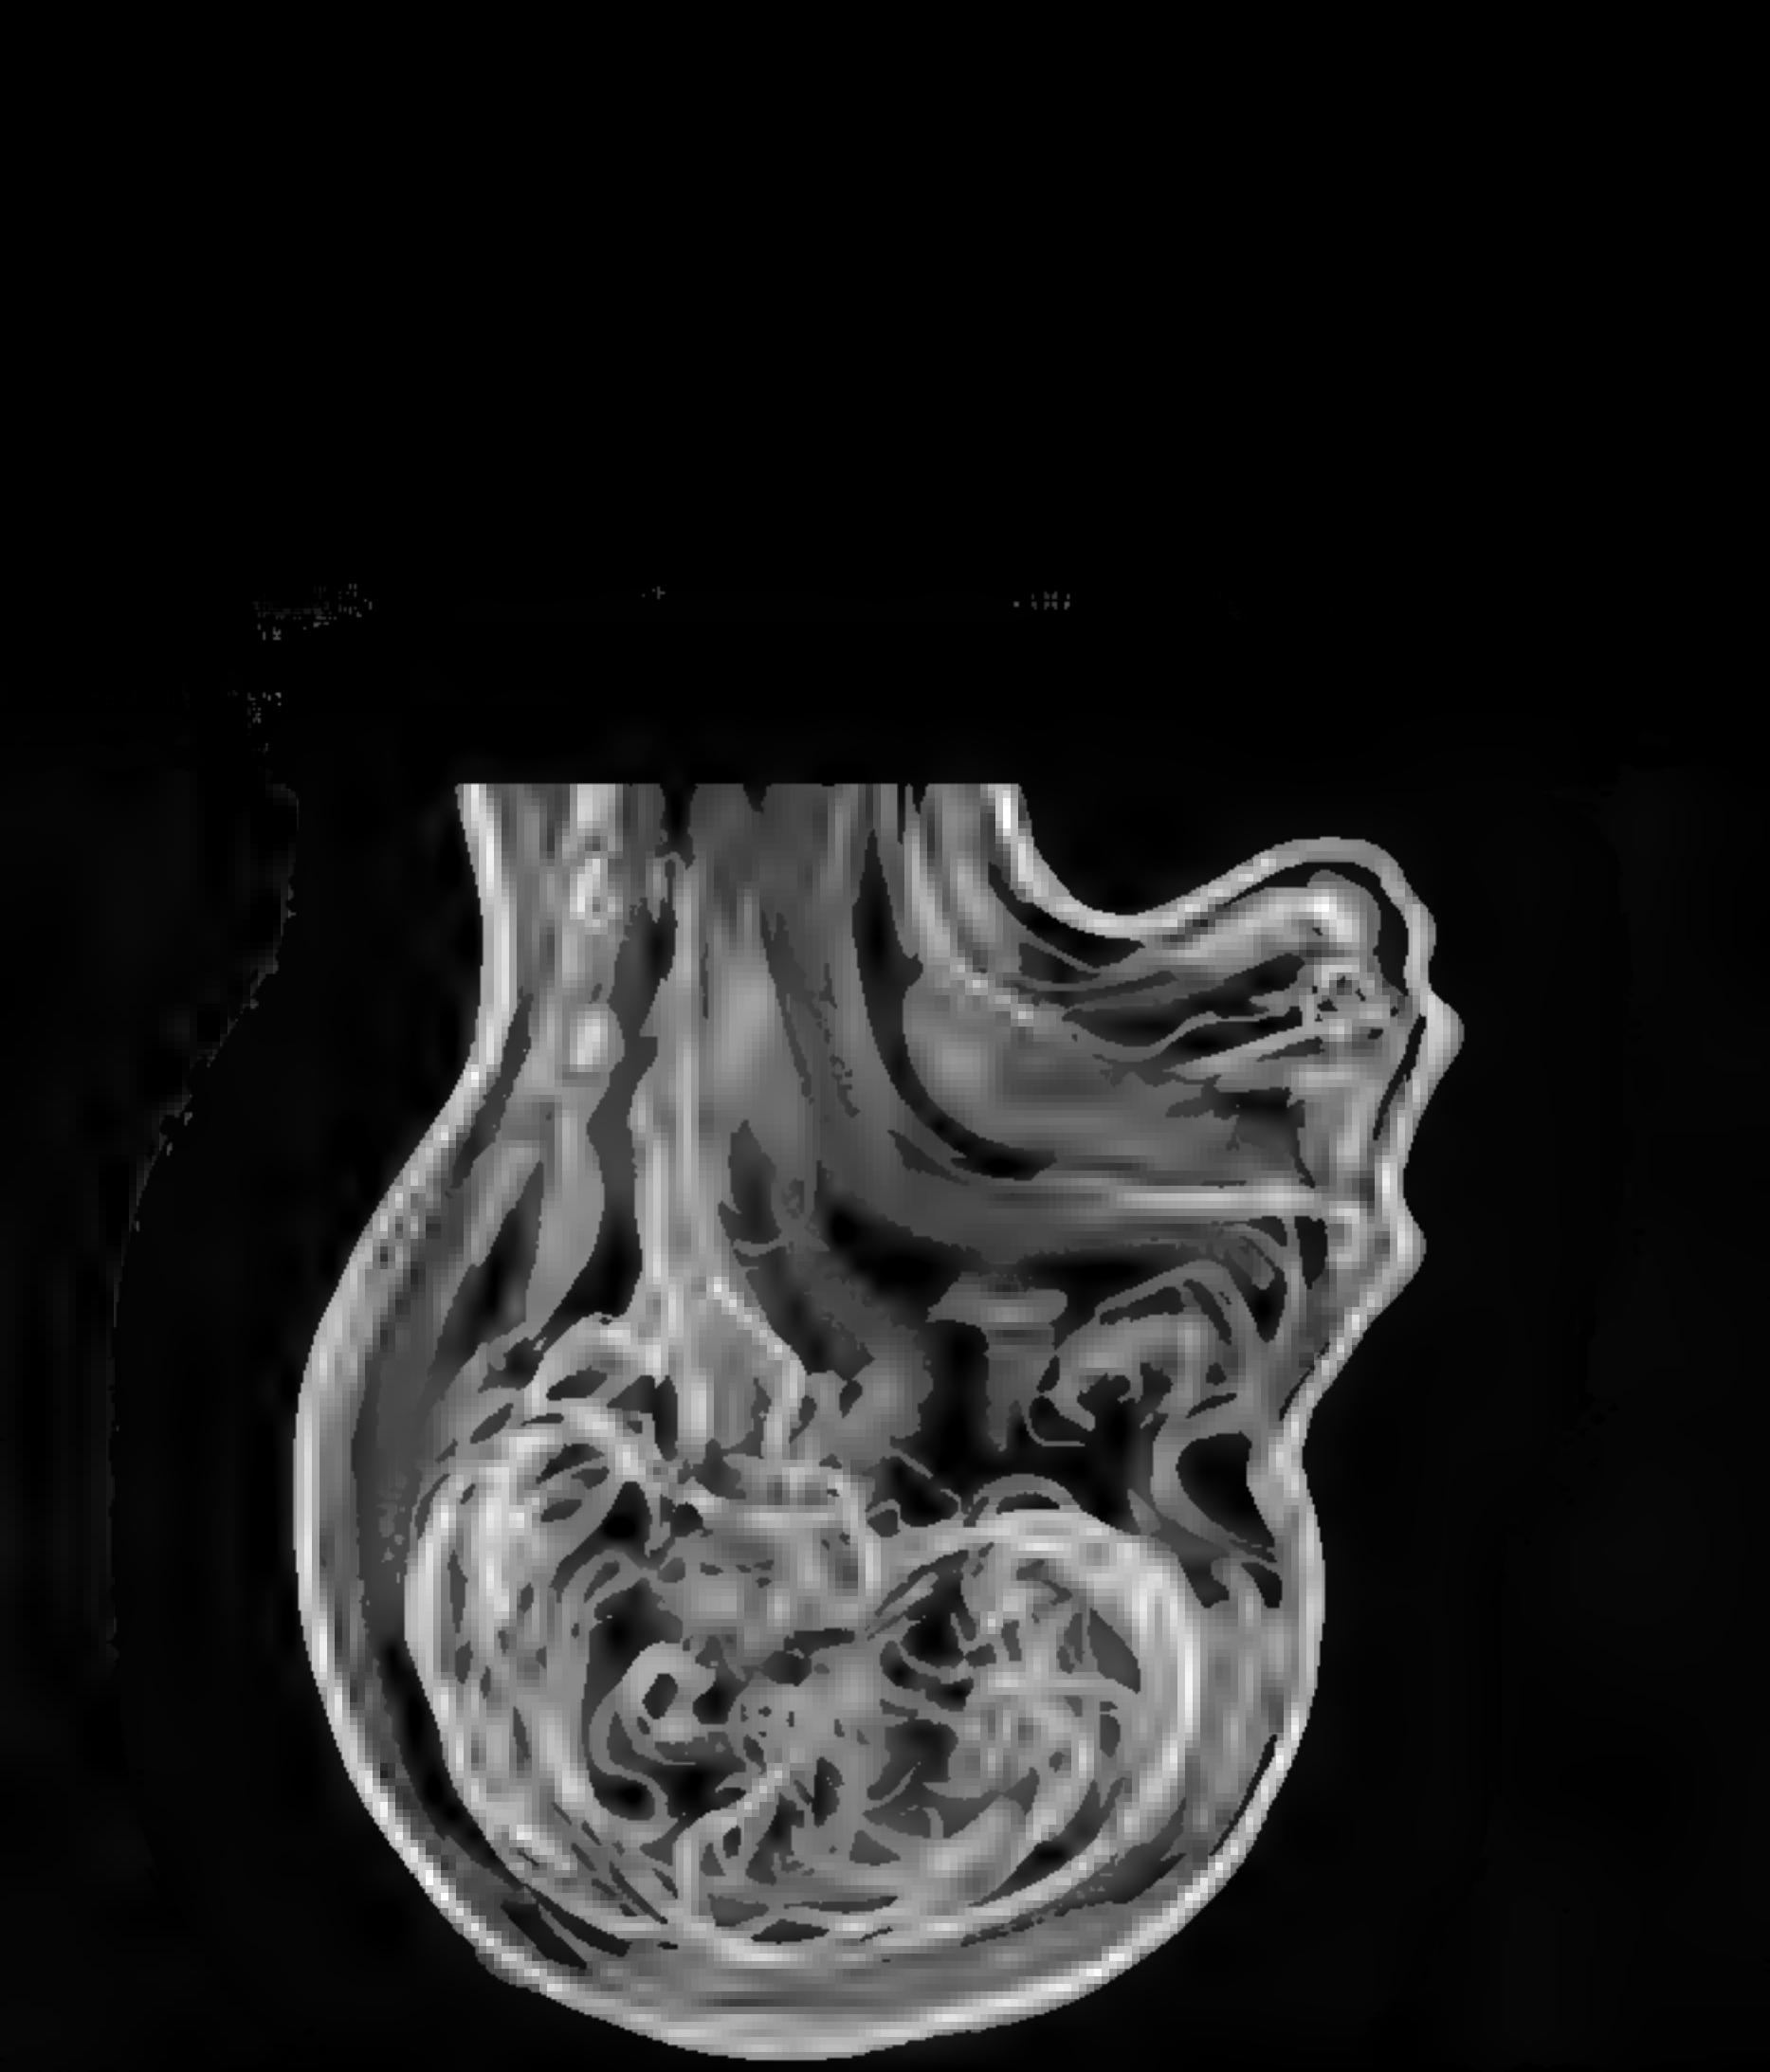
EARLY IN THE MORNING,
THE CHILD HAS GONE MISSING

WITH ONLY A SINGLE DOCUMENT LEFT
BEHIND SAYING HE HAD BEEN TRANSFERRED
TO A CHILDCARE FACILITY.

BASED ON THE GIVEN DATA,
THE HEAD RESEARCHER TENTATIVELY

PROPOSED A HYPOTHESIS.

A TERRIFYING HYPOTHESIS WHICH SAID THAT



AND AN EVEN MORE ASTONISHING FACT,

WAS THAT AS THE CHILD GREW OLDER,

HE COULD NOT ONLY CHANGE
HIS BONE STRUCTURE AND BODY TYPE,

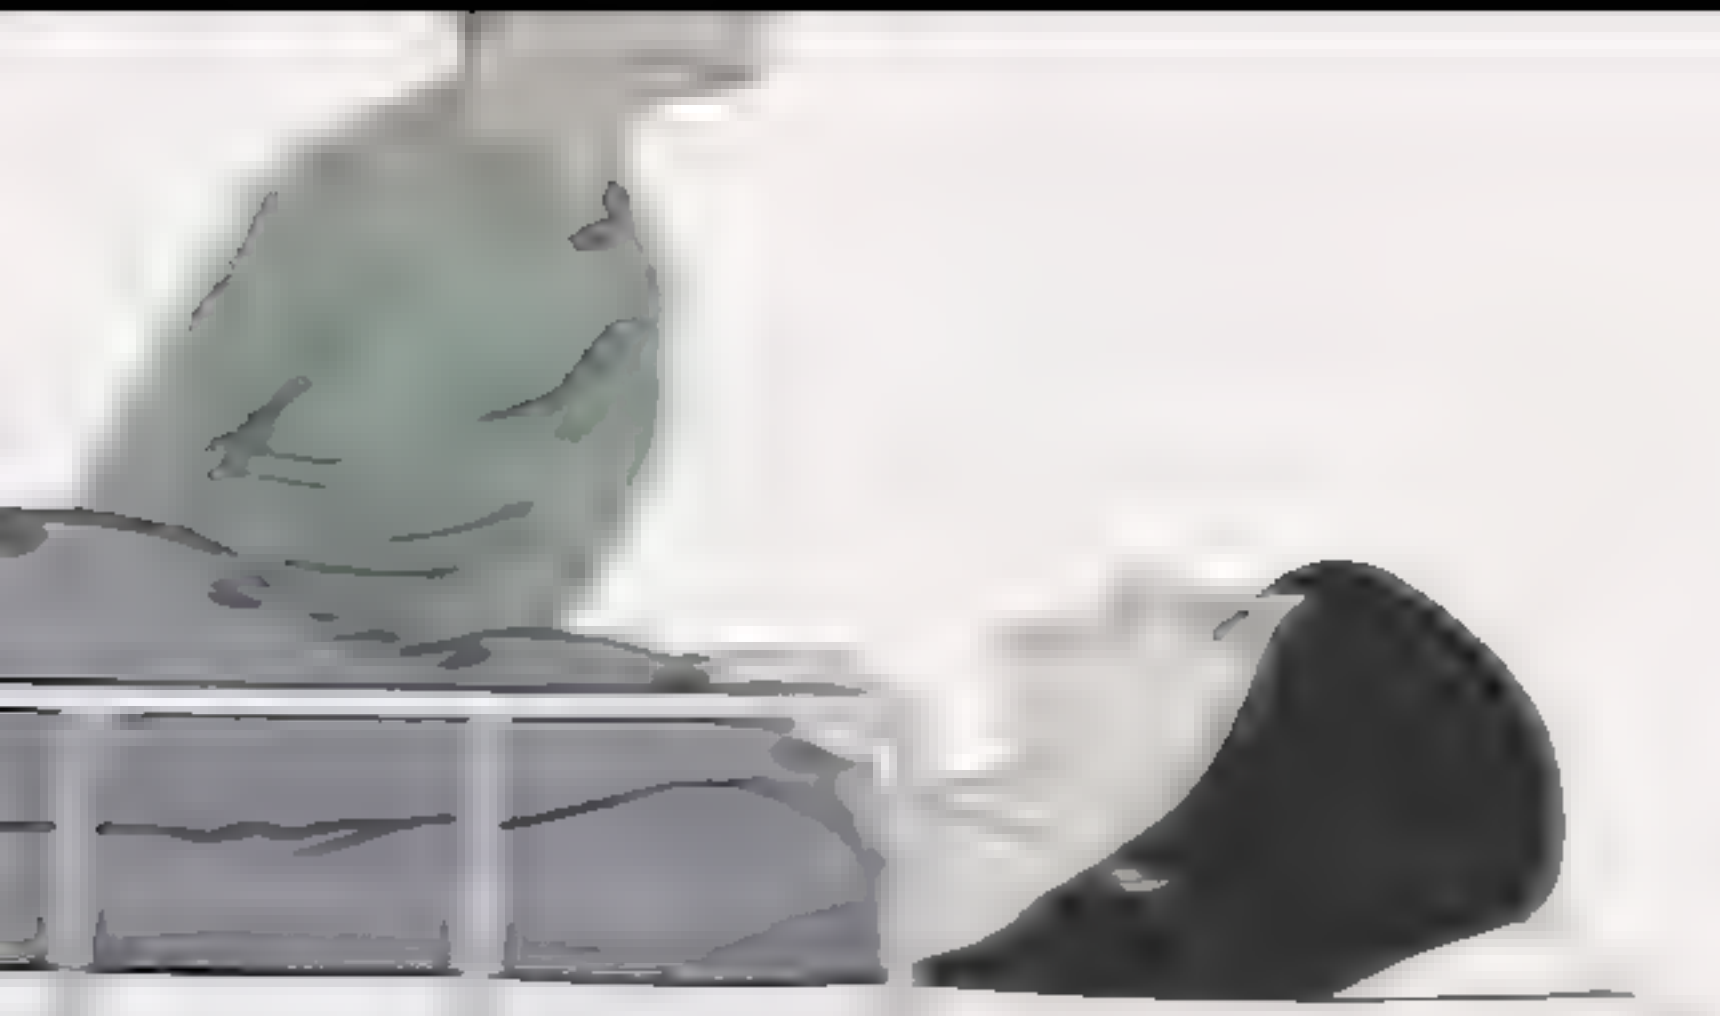
THE STORY ABOUT THE CHILD WAS PRINTED
IN A CORNER OF THE NEWSPAPER'S GOSSIP PAGE

AND DISAPPEARED FROM PEOPLE'S
MEMORIES WITHOUT ANY MAJOR ISSUE.

WITH THIS, A STRANGE SERIES OF
EVENTS SEEMED TO COME TO AN END

BUT A FEW DAYS LATER

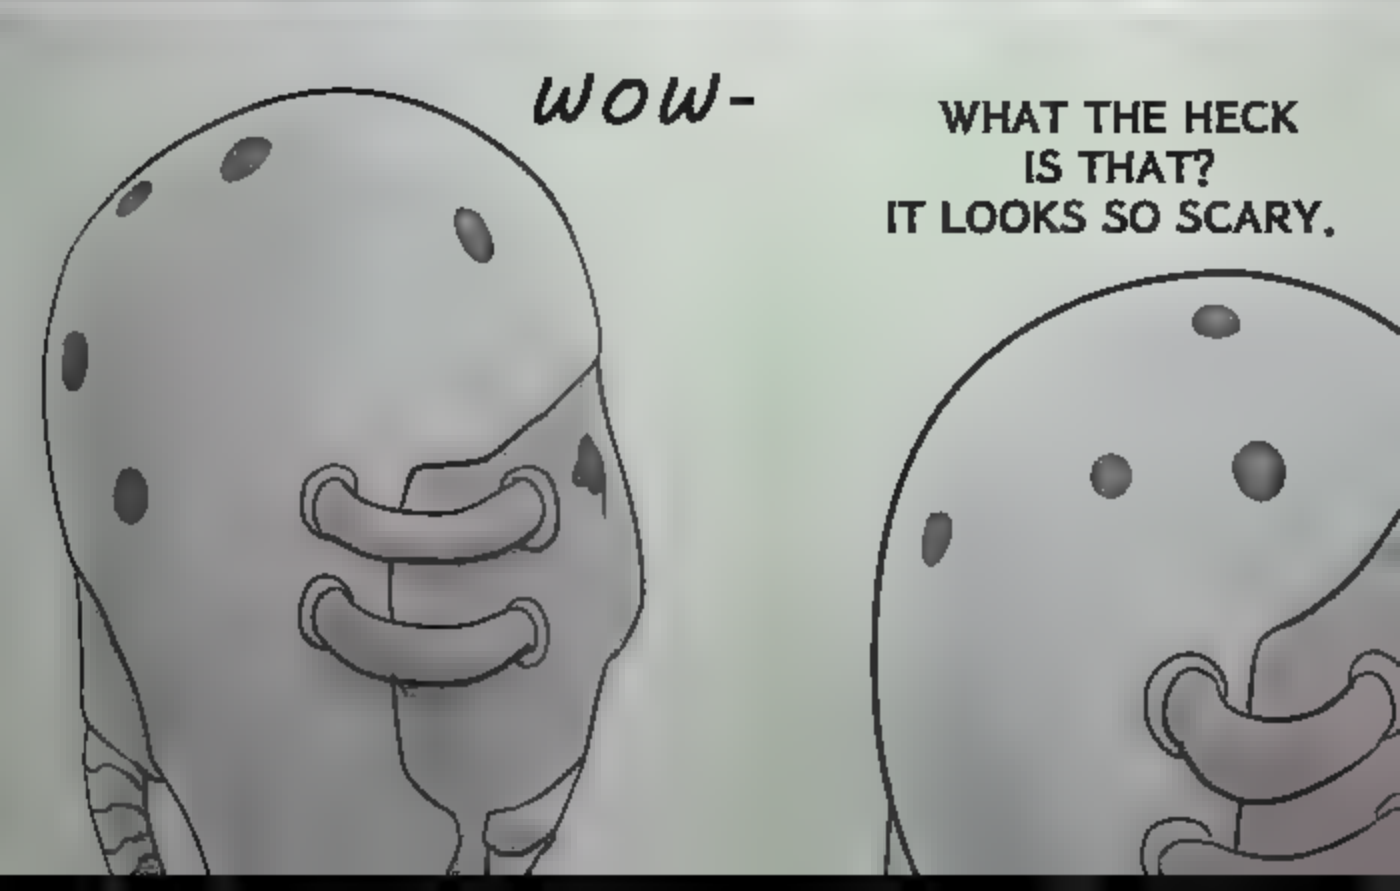
NO, THIS IS NOT.
THIS IS....



SO SHE WENT STRAIGHT TO THE DELIVERY ROOM

WITHOUT NEEDING TO BE
FORMALLY ADMITTED TO THE CLINIC.

FLASH-



WOW-
WHAT THE HECK
IS THAT?
IT LOOKS SO SCARY.

HIS EVER-CHANGING BONE STRUCTURE AND ORGANS.

HIS FLUCTUATING DNA SEQUENCE.

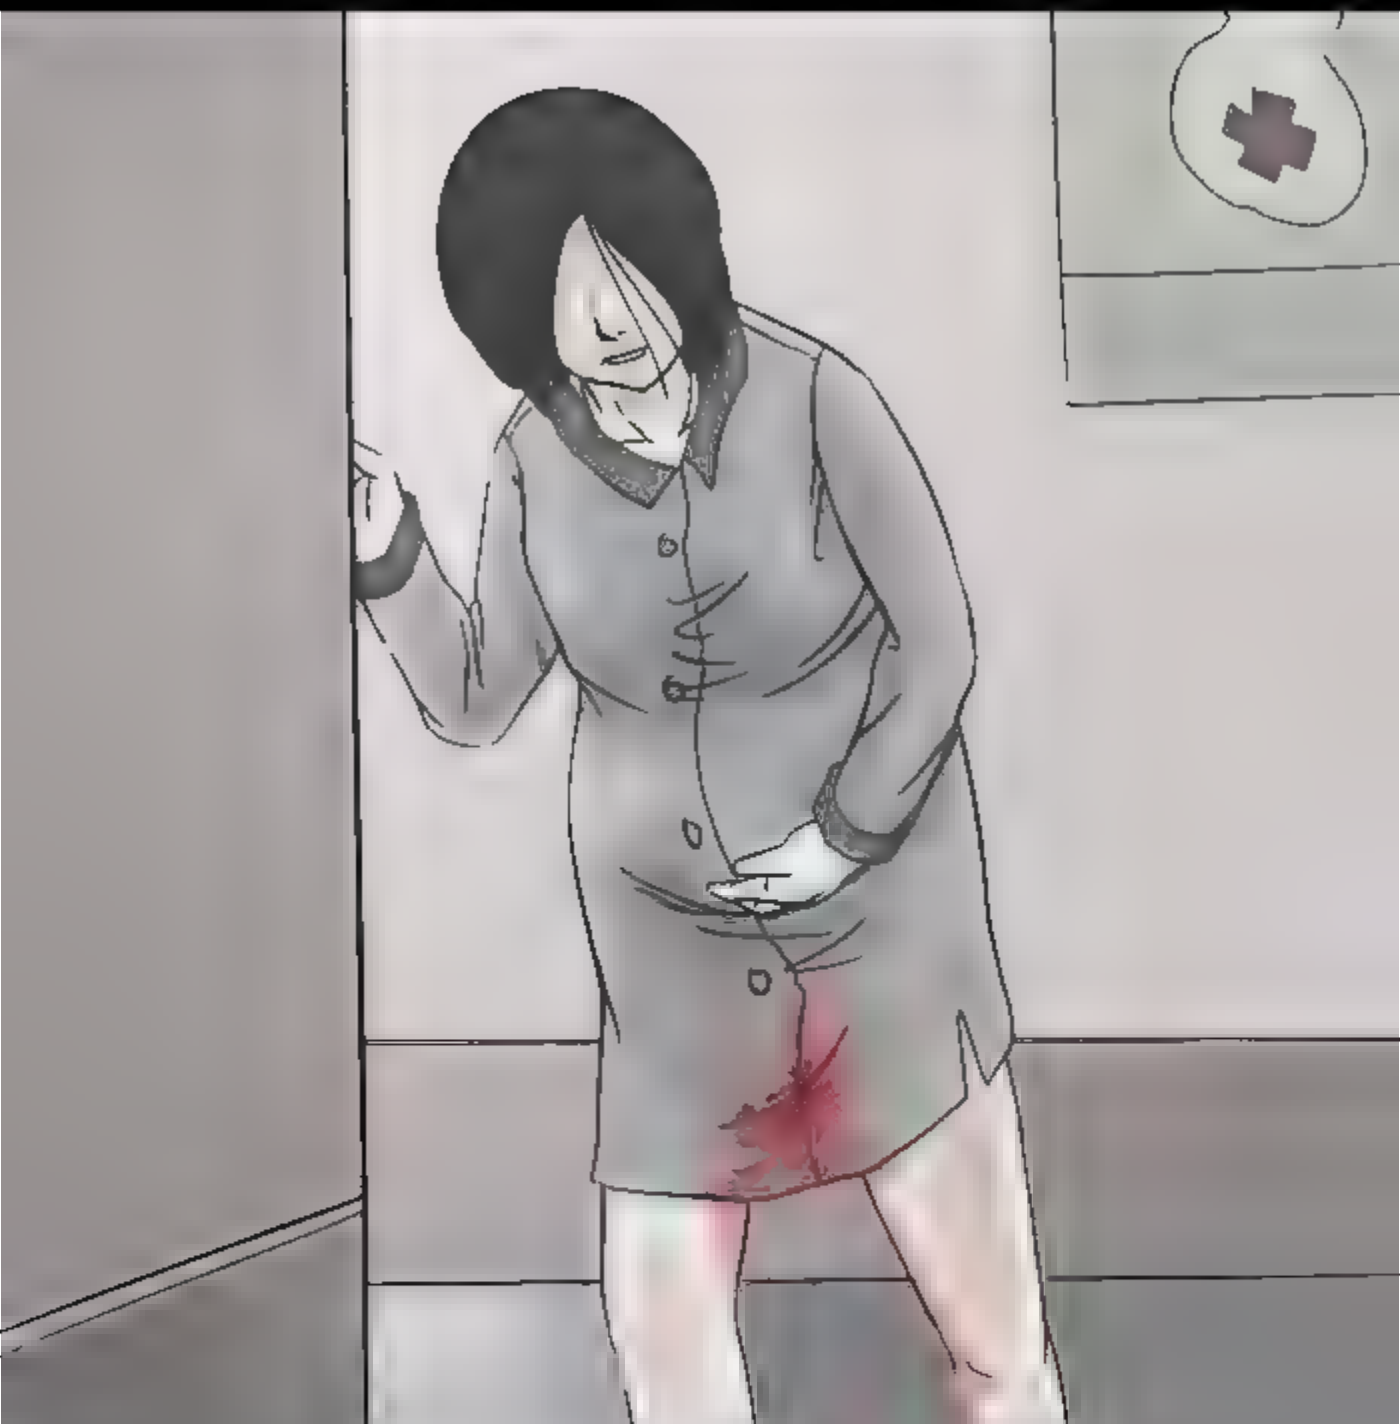
AND THE CHILD'S CURRENT FORM WHICH PERFECTLY MATCHES

ANCIENT HOMINIDS REFERRED TO AS "PRIMITIVE MAN."

HYPERTRICHOSIS : EXCESSIVE HAIR COVERING THE BODY

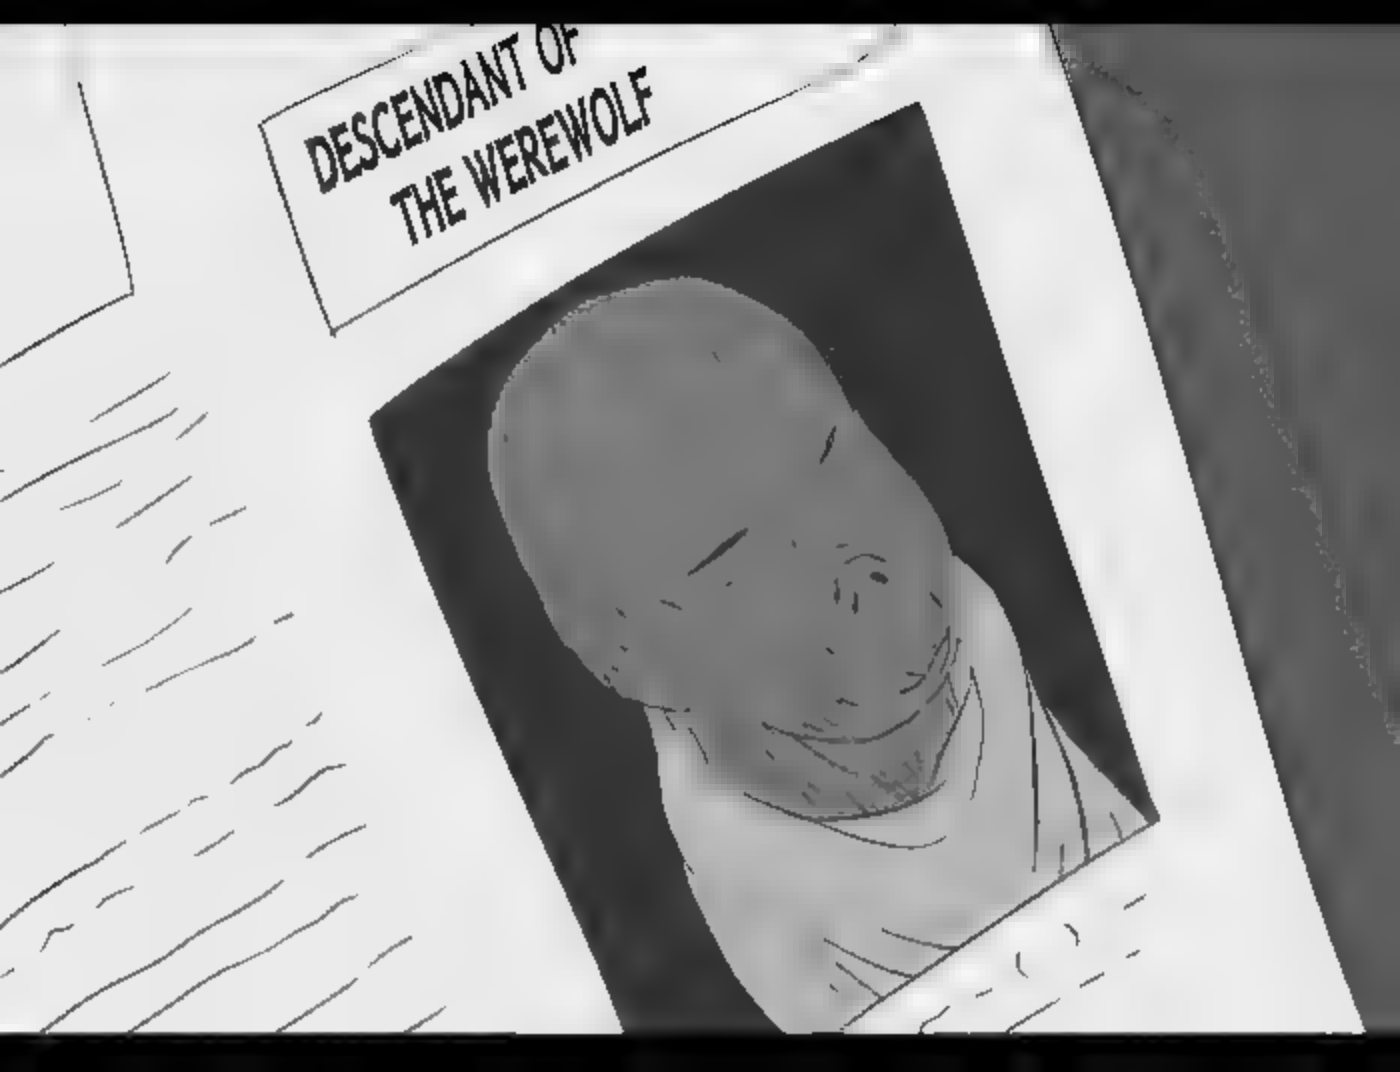
THE DOCTOR CALLED THE POLICE TO PROCESS THE WOMAN'S DEATH AS AN ACCIDENT

WHAT ON EARTH ARE YOU...?



IT LOOKED LIKE HER WATER
HAD BROKEN A WHILE AGO

AND SHE WAS IN
A VERY CRITICAL CONDITION



DESCENDANT OF
THE WEREWOLF

THE EARTH.

IN THE DISTANT FUTURE.

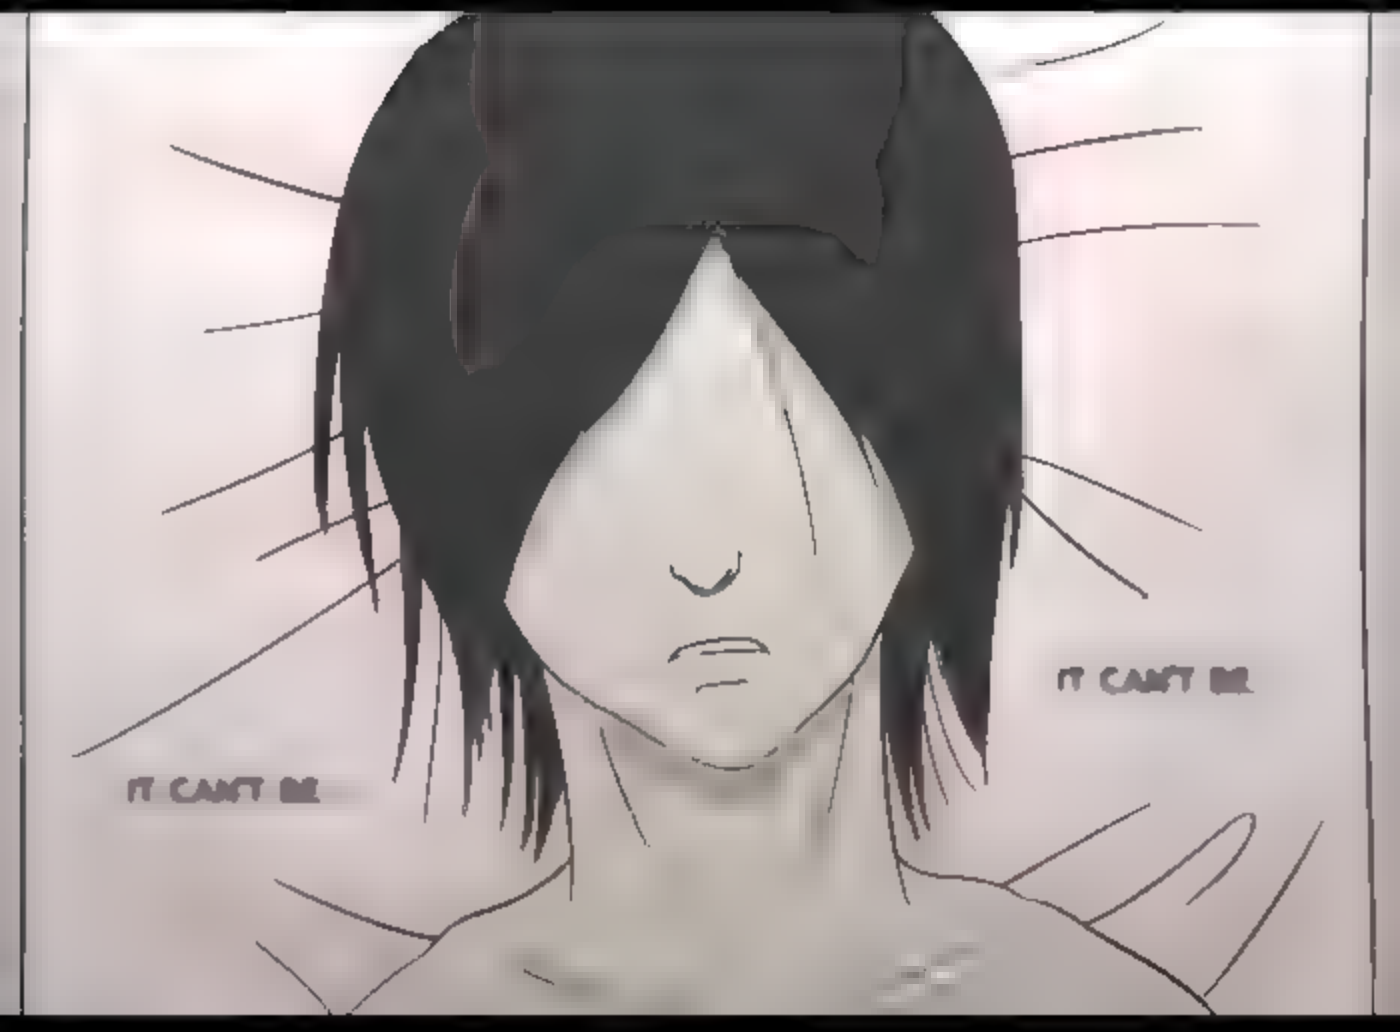
AN IMAGE OF HUMANS FROM 50,000 YEARS AGO.

IT'S AN X-RAY OF THE CHILD!!!

THE OFFICER TOLD THIS TO A LOCAL REPORTER FRIEND OF HIS,

FRIDAY
FORBIDDEN TALES
禁曜日

02. ALPHA (1)



IT CAN'T BE
IT CAN'T BE

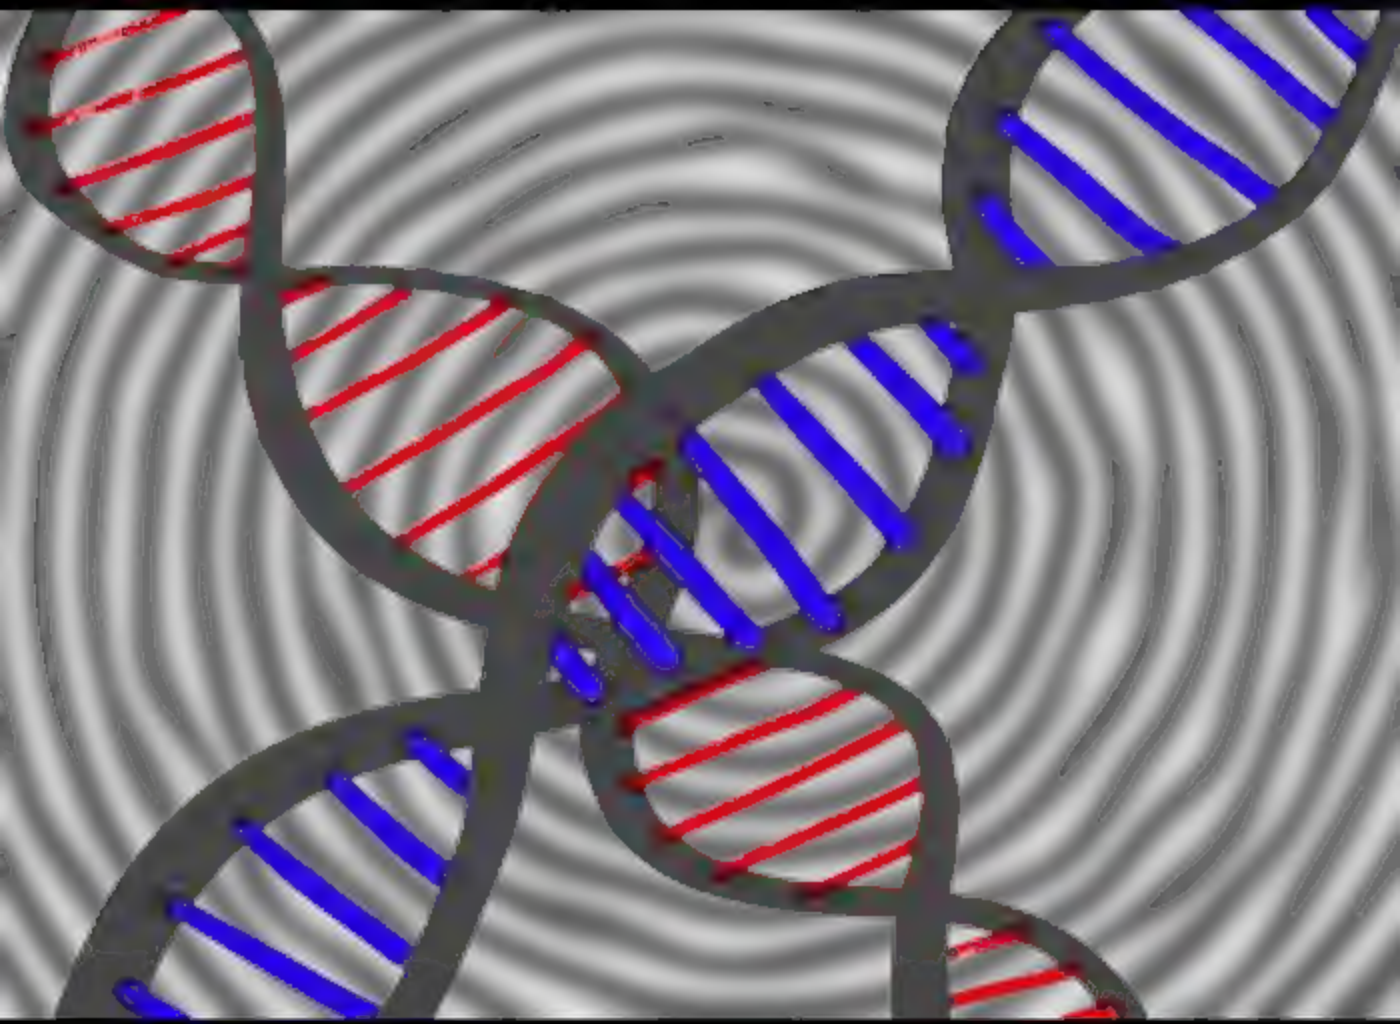
IT CAN'T BE
T CAN'T BE

LOOKS STRANGE, RIGHT? WHAT YOU'RE SEEING ON THE SCREEN IS

SIR! YOU GOT A CALL FROM THE GYNECOLOGY ASSOCIATION!

AND DEVOTED HIS ENTIRE MIND AND BODY TO OBSERVING AND RECORDING THE CHILD'S GROWTH

SO AS NOT TO MISS A SINGLE INSTANT OF CHANGE.



REALIZING THE SENSATION THIS COULD CAUSE IN THE HISTORY OF MANKIND,

WHILE THE HEAD RESEARCHER WAS CAREFULLY RECORDING THE CHILD'S GROWTH IN ORDER TO REPORT IT TO THE SCHOLARLY WORLD

HE DISCOVERED TWO MYSTERIOUS PHENOMENA,
